ring around the rosie a pocket full of posies ashes ashes we all fall down as a little girl growing up singing ring around the rosie little did i know that this would become our family ballad my maternal grandpa used to say one day this family will destroy itself how could i possibly understand what that meant but i remember him saying it all the same grandpas prediction now rings true as our family did destroy itself and fell to the ashes with the final act of our mothers passing she left a carefully woven gordian knot through deceptive means in her death wake of such vast proportion and complexity that it may never unravel the death and passing of a loved one is difficult even under the best of circumstances but if the ties that bind left behind unaddressed confusion misunderstandings and or deceit the pain can run deep and leave a lasting nonnegotiable imprint limited not to just one member but the entire family for generations to come

some kids collect baseball cards i collect words hi i m the word whiz i m in middle school just like

you and i m going to turn you into a word whiz just like me i m going to introduce you to more than 600 words middle school students need to know for new york state tests in class and when doing homework important words for important subjects such as english language arts paraphrase alliteration genre metaphor symbolism math convert probability hypotenuse median variable social studies partisan inalienable imperialism ratify consequences science buoyant neutron friction oxidation synthesis i ve also included words commonly used in questions on new york state tests including approximate equivalent and opinion my whizword lists have kid friendly definitions and sample sentences plus synonyms antonyms related words and meanings and examples of how the words are used on the new york state tests i ve also included all this extra cool stuff whiztips helpful hints on how to learn words and ace tests whizquizzes mini quizzes to help cement the words in your brain whizfacts general good stuff to know about these words and that s not all i also made up some really fun practice exercises they will help you nail down these vocabulary words by relating them to things we re interested in like tv movies sports and music the words in this book will come in handy for the rest of your life so let s get started

how do stories of particular events turn into global myths while others fade away what becomes known and seen as a global iconic event in stories without borders julia sonnevend considers the ways in which we recount and remember news stories of historic significance focusing on journalists covering the fall of the berlin wall and on subsequent retellings of the event in a variety of ways from legoland reenactments to slabs of the berlin wall installed in global cities sonnevend discusses how certain events become built up so that people in many parts of the world remember them for long periods of time she argues that five dimensions determine the viability and longevity of international news events first a foundational narrative must be established with certain preconditions next the established narrative becomes universalized and a mythical message developed this message is then condensed and encapsulated in a simple phrase a short narrative and a recognizable visual scene counter narratives emerge that reinterpret events and in turn facilitate their diffusion across multiple media platforms and changing social and political contexts sonnevend examines these five elements through the developments of november 9 1989 what came to be known as the fall of the berlin wall stories without borders concludes with a discussion of how global iconic events have an enduring effect on individuals and societies pointing out that after common currencies military alliances and international courts have failed stories may be all that we have to bring hope

and unity

introduces students to interviewing principles and shows successful interviewer and interviewee techniques for job probing persuasive and survey interviews the text also includes sample interviews and role playing cases

these articles chart the development of television news part one examines the early years of the network news part two discusses the ethical and other questions facing broadcast journalism part three profiles 21 prominent network journalists
