build and modify your volkswagen beetle using today s greatest aftermarket parts while implementing historic and modern modifications if ever a car rolled off the factory floor in the form of a blank slate the vw beetle is it in fact after taking delivery of their beloved bug many owners began modifications and customizations to personalize their favorite german compact perhaps the most charismatic automobile ever the volkswagen beetle was the longest running most manufactured automobile on a single platform in automotive history from 1938 to 2003 more than 21 5 million bugs were assembled distributed and sold on nearly every continent in the world if there s a component that owners can modify they ll do it and each custom touch makes them love their beetle even more airkooled kustoms a volkswagen restoration and modification shop in hazel green alabama has served all kinds of classic volkswagen owners for those who venture into the world of customization no modern or historic trend is off limits these volkswagen

experts introduce and walk you through some of the most glorious customizations that beetle owners can make to their rides you'll find inspiration instruction and more modifications than most owners could ever tackle in a lifetime

traces the history development and design of the popular bug shaped car from its origins in nazi germany to its appeal among college students in the 1960s to its nostalgic but modern version introduced in 1998

this illustrated history celebrates the 75th and 70th anniversaries of volkswagen's two most iconic vehicles from the first beetles spearheaded by ferdinand porsche in the 1940s to the buses that became synonymous with a generation volkswagen is one of the most beloved brands in motoring history thanks largely to two instantly recognizable vehicles the beetle aka bug and the bus more than 23 million vw beetles have buzzed into the world since 1945 while the vw bus presaged the minivan by thirty plus years volkswagen beetles and buses examines and celebrates all aspects of the vehicles and the many cultural associations that have swirled around them for more than seven decades the diminutive rear engined and easily mass produced beetle became the most popular imported car in america during the 1960s its success was due to its familiar face its wildly clever ad campaigns and the sheer numbers produced the equally compact yet spacious bus aka kombi microbus type 2 transporter and simply van has won millions of fans around the world with its practicality simplicity and design in this beautifully illustrated and authoritatively written celebration author russell hayes looks back at the vehicles while focusing on the classic air cooled vws that ran into the late 1970s along the way readers witness the beetle and bus at work and at play and learn about vehicle development and growing roles in popular culture including star appearances in films like the love bug little miss sunshine footloose fight club the big lebowski and fast times at ridgemont high as well as television shows like lost and once upon a time and on the covers of the beatles abbey road and bob dylan's freewheelin album the story is brought up to date with coverage of the new beetle and plans for the vw buzz a modern electric version of the iconic microbus due in 2022 volkswagen

beetles and buses deserves a place in the motoring libraries of vw owners automotive enthusiasts and those simply interested in pop culture it s the ultimate illustrated history of these beloved vehicles

few cars have achieved the iconic status of volkswagen s classic and much loved beetle yet its origins are intertwined with the dark days of nazism this book looks at those origins at the marque s initial post war rescue by the british and the effect of early vw director general heinz nordhoff s forward looking desire to perfect one model rather than spread the company s talent over a range of designs at the impact of radical minded advertising campaigns and at the beetle s never to be beaten production record for a single model of nearly 22 million cars bringing the reader right up to the present day marque expert richard a copping recounts the beetle s story in a lively and authoritative manner guaranteed to delight devotee and casual browser alike

restoring 1949 1967 vw beetles to original factory condition in the simplest most cost effective way possible is the goal of this illustrated guide sections include tear down of the unrestored vehicle part evaluation and buying engine rebuilding and restoring vintage accessories and more
