the education system in malawi an education country status report csr is a detailed analysis of the current status of the education sector in malawi the results of which have been validated by the government of malawi its main purpose is to enable decision makers to orient national policy on the basis of a factual diagnosis of the overall education sector and to provide relevant analytical information for the dialogue between the government and development partners the analysis incorporates data and information from multiple sources such as school administrative surveys by the ministry of education household surveys and a tracer survey created especially for this study this csr developed by a multi ministerial national team supported by unesco p le de dakar the world bank and gtz specialists updates the previous one drawn up in 2003 and consists of eight chapters including a chapter on higher education the analysis provides key monitoring and evaluation inputs for the overall education sector particularly under the framework of the implementation of the national education sector plan

malawi is among the few countries in sub saharan africa that has witnessed significant improvements in relation to meeting the millennium development goal mdg targets it exhibits some of the main challenges facing african democracies while they attempt to consolidate the benefits of democratisation political transition and inclusive development in malawi critically analyses opportunities and constraints related to the impact of democracy on development in one of the world s poorest countries the book explores how and to what extent processes related to democratic and economic governance can be strengthened in order to make political and administrative authorities more responsive to development needs it also considers characteristics of successful implementation of public policy and the effective and timely delivery of basic services in local contexts increased citizen participation and dialogue with local government authorities factors that enable civil society organisations to hold political and administrative officials to account and better utilisation of academic research for improved evidence based policy formulation and implementation this volume will be of great interest to scholars in development studies african studies politics law and anthropology as well as policymakers and those interested in democracy governance human rights and the implementation of anti poverty programmes development administration and decentralisation

this title features a general history of malawi focusing mainly on the colonial period when it was know as nyassaland but placing that period in the context of the pre colonial past

malawi established as the british protectorate of nyasaland in 1891 gained its independence in 1964 and moved immediately into three decades of one party rule since the mid 1990s however the country has held multi party

elections as directed by its constitution and president bingu wa mutharika is currently serving his second term the fourth edition of the historical dictionary of malawi now newly expanded and updated covers a wide range of areas in malawi history including the rise and fall of state systems religious and socio political movements the economy environment transportation war disease and natural sciences author owen j m kalinga charts developments from pre history to the post banda malawi from tom bokwito to james sangala and from the umca mission at magomero to the second term of bingu wa mutharika s presidency paying particular attention to the individuals groups communities and forces that have molded this south african country the dictionary itself contains over 1 000 cross referenced entries on crucial aspects of malawi history and it is the most extensive single volume reference work on malawi available in addition to the dictionary entries kalinga provides a chronology containing important dates and events and an informative bibliographical section organized by subject the final part of the bibliography gives the reader a list of current and obsolete newspapers and periodicals related to malawi an ideal resource for further research this newly updated edition is an excellent access point for students researchers and anyone wanting to know more about malawi

landlocked malawi is a poor agrarian central african state stretching west along the elongated lake of the same name the country first came to global prominence because of the explorations and anti slavery pleas of dr livingstone and once again in the 1950s when nyasaland as it then was refused to be merged by britain with the two rhodesias in the central african federation dr hasting bandula led the nationalist movement a campaign of civil disobedience that forged a nation and finally gained the fragile country independence as malawi professor decalo lists the most pertinent and recent books and articles on malawi and briefly refers the reader to an additional 250 works

pentecostalism in malawi aims to fill a gap in the historiography of pentecostalism in malawi by approaching it from historical and theological perspectives mostly constructed from oral sources local histories and interviews conducted in malawi south africa zimbabwe and germany the book traces the history of the apostolic faith mission from its machona migrant labour beginnings through the spread of the missionaries to its position on the social and religious landscape in the postcolonial period the work concludes with some reflections on why pentecostalism has been so successful in africa
