in order to help pastors and other christian leaders to lovingly lead god s flock to jesus  
christ and into god s mission scott thomas and tom wood clarify a process of coaching and  
shepherding that is rooted in the patterns of the good shepherd himself a process in which  
leaders stir up the gifts passion and calling upon others lives this book addresses the needs  
of the leader his or her sinful tendencies and church leadership issues it directs the leader  
to the person and work of jesus it provides a system to intentionally shepherd leaders to  
glorify god in their personal spiritual and missional lives many ministry leaders serving in  
churches find themselves overwhelmed disillusioned and depressed by the enormous and  
challenging task of leading and ministering in a congregation as a result the ministry suffers  
the leaders suffer and the result is often an unhealthy church existent with little or no  
gospel influence these leaders need someone to shepherd their soul so that they can lead  
others to the chief shepherd jesus christ we suggest that coaching for the church leader looks  
less like corporate consulting or humanistic psychology and more like biblical shepherding we  
suggest that every church leader needs a gospel coach to come alongside with words of truth  
wisdom and experience to encourage admonish comfort and help words drawn from scripture and  
godly wisdom grounded in the gracious saving work of jesus christ and presented in the context  
of a trusting relationship gospel coaching is an intentional relationship to skillfully care  
for others with four ancient shepherding principles 1 know the sheep 2 feed the sheep 3 lead  
the sheep and 4 protect the sheep a gospel coach both inquires about the personal spiritual  
and missional aspects of a ministry leader s life in a loving yet focused manner and also  
probes the church leader for compulsive unbelief or selfish motivation or disobedience and sin  
and leads the ministry leader back to the gospel through belief repentance and obedience  
churches that desire to be rich in a gospel application toward their city their relationships  
with one another their communication and worship as well as their service will benefit to a  
greater degree by having their leaders being coached by a gospel centered leader
