egypt came to govern gaza as a result of a war a failed effort to maintain arab palestine throughout the twenty years of its administration 1948 1967 egyptian policing of gaza concerned itself not only with crime and politics but also with control of social and moral order through surveillance interrogation and a network of local informants the police extended their reach across the public domain and into private life seeing palestinians as both security threats and vulnerable subjects who needed protection security

practices produced suspicion and safety simultaneously police encounters explores the paradox of egyptian rule drawing on a rich and detailed archive of daily police records the book describes an extensive security apparatus guided by intersecting concerns about national interest social propriety and everyday illegality in pursuit of security egyptian policing established a relatively safe society but also one that blocked independent political activity the repressive aspects of the security society that developed in gaza under egyptian rule are beyond dispute but repression does not tell the entire story about its impact on gaza policing also provided opportunities for people to make claims of government influence their neighbors and protect their families
