autobiographical writings have been a major cultural genre from antiquity to the present time general questions of the literary as e g the relation between literature and reality truth and fiction the dependency of author narrator and figure or issues of individual and cultural styles etc can be studied preeminently in the autobiographical genre

yet the tradition of life writing has in the course of literary history developed manifold types and forms especially in the globalized age where the media and other technological cultural factors contribute to a rapid transformation of lifestyles autobiographical writing has maintained even enhanced its popularity and importance by conceiving autobiography in a wide sense that includes memoirs diaries self portraits and autofiction as well as media transformations of the genre this three volume handbook offers a comprehensive survey of theoretical approaches systematic aspects and historical developments in an international and interdisciplinary perspective while autobiography is usually considered to be a european tradition special emphasis is placed on the modes of self representation in non western cultures and on inter and transcultural perspectives of the genre the individual contributions are closely interconnected by a system of cross references the handbook addresses scholars of cultural and literary studies students as well as non academic readers

in memoirs arab writers have invoked solitude in moments of deep public involvement focusing on taha hussein sonallah ibrahim assia djebar latifa al zayyat mahmoud darwish mourid barghouti edward said haifa zangana and radwa ashour this book reads a range of autobiographical forms sources and affinities with other literatures taking a comparative approach nasser shows the local sources of contemporary arab autobiography adaptations of a global genre and cultural exchange she also examines different aspects of the contemporary autobiography as it has evolved in the arab world during the past half century focusing on the particularity of the genre written in different languages but pertaining to one overarching arab culture drawing on memoirs testimonies autobiographical novels poetic autobiography journals and diaries she examines solitude and national struggles in contemporary arab autobiography

this book addresses the topics of autobiography self representation and status as a writer in mahatma gandhi s autobiographical work the story of my experiments with truth 1927 1929 gandhi remains an elusive figure despite the volumes of literature written on him in the seven decades since his assassination scholars and biographers alike agree that no work on his life has portrayed him in totality desai 2009 and although arguably the most popular figure of the first half of the twentieth century and one of the most eminent luminaries of our time gandhi the individual remains as much an enigma as a person of endless fascination murrell 2008 yet there has been relatively little scholarly engagement with gandhi s autobiography and published output has largely been concerned with mining the text for its biographical details with little concern for how gandhi represents himself the author addresses this gap in the literature while also considering gandhi as a writer this book provides a close reading of the linguistic structure of the text with particular focus upon gandhi s self representation drawing on a cognitive

stylistic framework for analysing linguistic representations of selfhood emmott 2002 it will be of interest to stylisticians cognitive linguists discourse analysts and scholars in related fields such as indian literature and postcolonial studies
