The reigning romance queens Popsugar and New York Times bestselling authors of *The Soulmate Equation* and *The Unhoneymooners* present a charming and laugh out loud funny novel filled with adventure, treasure, and of course love. Growing up the daughter of notorious treasure hunter and absentee father Duke Wilder, Lily left without much patience for the profession or much money in the bank. But Lily is nothing if not resourceful and now uses Duke's coveted hand-drawn maps to guide tourists on fake treasure hunts through the red rock canyons of Utah. It pays the bills but doesn't leave enough to fulfill her dream of buying back the beloved ranch her father sold years ago and definitely not enough to deal with the sight of the man she once loved walking back into her life with a motley crew of friends ready to hit the trails. Frankly, Lily would like to take him out into the wilderness and leave him there. Leo Grady knew mirages were a thing in the desert but they'd barely left civilization when the silhouette of his greatest regret comes into focus in the flickering light of the campfire. Ready to leave the past behind him, Leo wants nothing more than to reconnect with his first and only love. Unfortunately, Lily Wilder is all business, drawing a clear line in the sand: it's never going to happen. But when the trip goes horribly and hilariously wrong, the group wonders if maybe the legend of the hidden treasure wasn't a gimmick after all. There's a chance to right the wrongs of Duke's past and their own, but only if Leo and Lily can confront their history and work together alone under the stars in the isolated and dangerous mazes of the canyonlands. Leo and Lily must decide whether they'll risk their lives and hearts on the adventure of a lifetime. From the author of the heartfelt and funny Publishers Weekly sensation *The Unhoneymooners*, this page-turning adventure full of second chances, complicated

relationships and the breathtaking beauty of the american southwest will take fans on one wild ride

A witty and deeply romantic modern reimagining of Disney's *Tangled* by the New York Times bestselling author duo Christina Lauren. Part of the acclaimed and bestselling *Meant to Be* collection, she has a dream, he has a plan, together they'll take a leap of faith. Ren has never held an iPhone, Googled the answer to a question, or followed a crush on social media. What she has done: read a book or two or three. Okay, hundreds. Taught herself to paint, built a working wind power system from scratch, but for all the books she's read, Ren has never found one that's taught a woman raised on a homestead and off the grid for most of her twenty-two years how to live in the real world. So when she finally achieves her lifelong dream of attending Corona College, it feels like her life is finally beginning. Fitz has the rest of his life mapped out: graduate from Corona at the top of his class, get his criminal record wiped clean, and pass himself off as the rich, handsome player everyone thinks he is. He's a few short months from checking off step one of his plans when Ren, golden with her cascading blonde hair and encyclopedic brain, crashes into his life, and for the first time, Fitz's plan is in jeopardy. But a simple assignment in their immunology seminar changes the course of both their lives, and suddenly they're thrown out of the frying pan and into the fire on a road trip that will lead them in the most unexpected directions. Out on the open road, the world somehow shifts, and the unlikely pair realize that maybe the key to the dreams they've both been chasing have been sitting next to them the whole time.
