**ExpertLevel FAQs**

**1 How many past papers should I attempt** There's no magic number Aim for a balance enough to thoroughly understand the exam format and identify weaknesses but not so many that it becomes overwhelming A good starting point would be at least 35 papers per subject focusing on more papers in areas of weakness

**2 What if I consistently struggle with a particular topic even after practicing past papers** This indicates a fundamental gap in understanding Seek help from your teacher or tutor revisit the relevant syllabus sections and utilize additional learning resources to consolidate your grasp of the topic

**3 Should I focus on the most recent past papers** While recent papers are valuable don't neglect older papers They can offer a broader understanding of question styles and recurring themes

**4 How important is handwriting and presentation in O Level exams** Presentation matters Neat organized answers are easier to mark and often receive better scores even if the content is slightly less comprehensive

**5 How can I effectively manage time during the exam** Practice under timed conditions using past papers Break down the paper into sections based on mark allocation allocating your time proportionally Learn to identify quickwin questions and address them first to maximize 4 your score
