during the twenties the great white way roared with nearly 300 book musicals luminaries who wrote for broadway during this decade included irving berlin george m cohan rudolf friml george gershwin oscar hammerstein ii lorenz hart jerome kern cole porter richard rodgers sigmund romberg and vincent youmans and the era's stars included eddie cantor al jolson ruby keeler and marilyn miller light hearted cinderella musicals dominated these years with such hits as kern's long running sally along with romantic operettas that dealt with princes and princesses in disguise plots about bootleggers and prohibition abounded but there were also serious musicals including kern and hammerstein's masterpiece show boat in the complete book of 1920s broadway musicals dan dietz examines in detail every book musical that opened on broadway during the years 1920 1929 the book discusses the era's major successes as well as its forgotten failures the hits include a connecticut yankee hit the deck no no nanette rose marie show boat the student prince the vagabond king and whoopee as well as ambitious failures including deep river rainbow and rodgers daring chee chee each entry contains the following information plot summary cast members names of creative personnel including book writers lyricists composers directors choreographers producers and musical directors opening and closing dates number of performances plot summary critical commentary musical numbers and names of the performers who introduced the songs production data including information about tryouts source material details about london productions besides separate entries for each production the book offers numerous appendixes including ones which cover other shows produced during the decade revues plays with music miscellaneous musical presentations and a selected list of pre broadway closings other appendixes include a discography filmography a list of published scripts and a list of black themed musicals this book contains a

wealth of information and provides a comprehensive view of each show the complete book of 1920s Broadway musicals will be of use to scholars historians and casual fans of one of the greatest decades in the history of musical theatre

music directory with records for artists titles labels and year of release for 45 rpm records published between 1947 and 1982

despite the passage of time our vision of Native Americans remains locked up within powerful stereotypes that's why some images of Indians can be so unexpected and disorienting what is Geronimo doing sitting in a Cadillac why is an Indian woman in beaded buckskin sitting under a salon hairdryer such images startle and challenge our outdated visions even as the latter continue to dominate relations between Native and non-Native Americans Philip Deloria explores this cultural discordance to show how stereotypes and Indian experiences have competed for ascendancy in the wake of the military conquest of Native America and the nation's subsequent embrace of Native authenticity rewriting the story of the national encounter with modernity Deloria provides revealing accounts of Indians doing unexpected things singing opera driving cars acting in Hollywood in ways that suggest new directions for American Indian history focusing on the late nineteenth and early twentieth centuries a time when according to most standard American narratives Indian people almost dropped out of history itself Deloria argues that a great many Indians engaged the very same forces of modernization that were leading non-Indians to reevaluate their own understandings of themselves and their society he examines longstanding stereotypes of Indians as invariably violent suggesting that even as such views continued in American popular culture they were also transformed by the violence at Wounded Knee he tells how Indians came to represent themselves in Wild West shows and Hollywood films and also examines sports music and even Indian people's use of the automobile an ironic counterpoint to today's highways teeming with Dakota

pick ups and cherokee sport utility vehicles throughout deloria shows us anomalies that resist pigeonholing and force us to rethink familiar expectations whether considering the hollywood films of james young deer or the hall of fame baseball career of pitcher charles albert bender he persuasively demonstrates that a significant number of indian people engaged in modernity and helped shape its anxieties and its textures at the very moment they were being defined as primitive these secret histories deloria suggests compel us to reconsider our own current expectations about what indian people should be how they should act and even what they should look like more important he shows how such seemingly harmless even if unconscious expectations contribute to the racism and injustice that still haunt the experience of many native american people today

offering a dual biography of two giants of the american musical theater this comparison of the lives and works of alan jay lerner and oscar hammerstein ii is a reference on the lyricists filled with photographs a bibliography and chronologies

what movie was the first to combine live action with animated cartoon characters what movie did marion brando first sing in this book answers these and thousands of other interesting facts about hollywood s favorite musicals provides facts and trivia for more than 300 movies each entry includes the screenplay writer producer director choreographer cast list song list release date plot summary and interesting notes surrounding the production cast and spin offs that the movie inspired contains many photos of memorable moments in celluloid history
