just as africa and the west have traditionally fit into binaries of darkness enlightenment savage modern ugly beautiful and ritual  
art among others much of western cultural production rests upon the archetypal binary of trickster epic with trickster aesthetics  
and commensurate cultural forms characterizing africa challenging this binary and the exceptionalism that underlies anti  
hegemonic efforts even today this book begins with the scholarly foundations that mapped out african trickster continuities in  
the united states and excavated the aesthetics of traditional african epic performances rutledge locates trickster like capacities  
within the epic hero archetype the epic trickster paradigm and constructs an homeric diaspora which is to say that the modern  
homeric performance foundation lies at an absolute time and distance away from the ancient storytelling performance needed to  
understand the cautionary aesthetic inseparable from epic potential as traditional epic performances demonstrate unchecked epic  
trickster dynamism anticipates not only brutal imperialism and creative diversity but the greatest threat to everyone an eco  
apocalypse relying upon the preeminent scholarship on african american trickster heroes traditional african heroic performances  
and cultural studies approaches to greco roman epics rutledge traces the epic trickster aesthetic through three seminal african  
american novels keenly attuned to the american homeric diaspora charles chesnutt s the marrow of tradition richard wright s
