the science of equestrian sports is a comprehensive study of the theory and practice of the rider in equine sport while most scholarship to date has focused on the horse in competition this is the first book to collate current data relating specifically to riders it provides valuable insight into improving sporting performance and maintaining the safety of both the horse and the rider drawing on the latest scientific research and covering a wide range of equestrian disciplines from horseracing to eventing the book systematically explores core subjects such as physiology of the rider sport psychology in equestrian sport preventing injury biomechanics and kinematics coaching equestrian sport the nature of horse rider relationships this holistic and scientific examination of the role of the horse rider is essential reading for sport science students with an interest in equestrian sport and equitation furthermore it will be an invaluable resource for instructors coaches sport psychologists or physiologists working with equestrian athletes

an exciting follow up to the bestselling bookwhen two spines align dressage dynamics beth baumert s first book when two spines align dressage dynamics was a popular and critical success lauded by olympian carl hester as the book he most frequently quotes at clinics it examined the ways thephysicalbodies of horse and rider work together the physics behind riding in balance in baumert s new bookhow two minds meet she takes us beyond physical harmony to look at the minds of both horse and rider each complete with its own set of emotions and mental capabilities readers will explore how the mind of the horse works the rider s two minds the analytical mind and the sensory dimension of the mind with which the horse more readily identifies specific ways to get into the non thinking place where the best communication between horse and rider takes place principles of learning that enable riders to improve the use of the traditional knowledge accumulating part of their brains nine ideas for boosting your ability to learn retain and apply knowledge that s useful in training horses methods for organizing and filing information so it can be best utilized how to ensure the horse is physically comfortable balanced under saddle to allow for a meeting of the minds in the first place not only does baumert explain how to optimize the use of the thinking mind in order to become a better learner in the saddle she provides techniques for maximizing mental and emotional harmony with the horse a state of unity that feels so good baumert calls it the charming addiction once a rider has it she wants to attain it again and again feeding this addiction is possible says baumert

with the thoughtful practical insight she shares in these pages

a delightfully honest look at the realities of starting out with horses when you're getting older are you a woman at midlife or beyond have you just discovered you have a passion for horses or maybe you've now found time for them after years devoted to a job and family surveys show that riders over the age of 40 are the fastest growing segment of the equestrian world with those age 65 and above seeing the biggest jump so you are far from alone with carefully curated guidance collected over years of horsing around rider and writer fran severn wants to embolden and empower you with tips lessons and advice as you begin enjoying a life with horses in it in these pages you'll find options for riding and not riding but still having horses in your life finding an instructor and being a good student coming to grips with what your body can and can't do in terms of fitness weight and fear understanding the realities of arthritis menopause and changing vision hearing and breathing knowing the rules for buying leasing and boarding horses dealing with family and horse related finances and much more riders of a certain age provides an important reference to any older individual who craves the companionship of a horse and the sisterhood that can go along with it

a memoir that captures a young athlete's battle with a devastating diagnosis and the courage and perseverance that has propelled her to the top of a paralympic sport for seven years sydney collier enjoyed the life of a happy active child with caring supportive parents and siblings she ran through sprinklers and played with neighborhood friends and she fell in love with four legged animals especially horses her mother encouraged her to ride and sydney was good at it finding herself at home in the saddle then a routine eye exam changed everything sydney had the incredibly rare wyburn mason syndrome a congenital birth defect that causes arteriovenous malformations where the veins and arteries in the brain don't separate as they should through capillaries the resulting clumps of veins and arteries have increased blood flow and a high risk of aneurysm and they tend to affect the brain eye and facial structures fewer than 100 cases of wyburn mason syndrome have been reported according to the national institute of health and its rarity means treatment remains controversial and prognosis uncertain most diagnoses in infants have been confirmed by pathologists after death wyburn mason began to take an immediate toll on sydney's body first with its effect on her vision and soon severe physical debilitation and excruciating migraines over the next eight years as she and her family tried treatment after treatment seeking some sort of hope the only place where sydney could escape the almost constant pain for just a little while was on the back of a horse during a risky brain surgery in 2009 sydney suffered a devastating and massive stroke which inflicted a new level of disability putting her in a wheelchair determined to ride horses again sydney entered a rehabilitation center and refused to give up on her goal of one day riding at the high performance level for the united states a year later on a trip with her mother to the world equestrian games in kentucky sydney had a chance to watch the sport of para dressage and that moment helped finally turn what seemed an overwhelming tide of loss and suffering a new goal was born to become a competitor in the paralympics and to do it in partnership with the only thing that brought her peace and happiness horses this is the story of a brave young woman's journey from the doctor's offices to medal podiums in her words anyone looking for a reason to believe that dreams can be realized regardless of the odds will find motivation in these pages

the joy of keeping horses is a celebration of how to best keep happy and healthy horses at home with an emphasis on the differences between owning a horse at a boarding stable and keeping that same horse at your own small farm this beautiful clear guide is written specifically for horse lovers who are considering taking the plunge into farm ownership jessie shiers lays out all the important facts and information from purchasing property and building facilities to daily grooming and nutritional needs shiers also dispels some common myths and misconceptions about horses and answers questions the novice owner may not know to ask along the way she shares anecdotes from her own experiences and from interviews with other horse owners that demonstrate the main reason people choose to keep horses the joy they bring to the lives of their owners

imagine putting together a big breakfast using the eggs straight from your own chickens or bacon straight from the pig this is a sort of ideal that many dream of but few ever get to experience now with the ultimate guide to raising farm animals that dream can be turned into a reality and also be so much more in the ultimate guide to raising farm animals you will learn how to take care of chickens pigs sheep cows and other livestock each chapter will be dedicated to a different animal and you will not only learn how to take care of them but also what sort of things you can get from them if you want to save money become more self sufficient or enjoy healthier locally sourced food the ultimate guide to raising farm animals is the book you need

world renowned dressage judge and former us olympic coach anne gribbons has had the unique experience of living the trajectory of the dressage evolution in the united states a native of sweden gribbons has been active in the us dressage scene since 1972 when dressage in this country was in its infancy she has trained and shown sixteen of her own horses to grand prix nine of which were long listed for the united states equestrian team and one of which metallic was on the olympic bronze medal winning dressage team in atlanta under current us dressage team technical advisor robert dover in addition to her equine students gribbons has coached many successful riders through the levels and she has always been willing to share her experience and guidance in the form of clinics lectures and her popular column in the consummate american equestrian magazinethe chronicle of the horse over the course of almost 20 years gribbons provided commentary on the state of dressage in the unites states and around the world tying together her diverse viewpoints from the ground from the saddle and from the judge s stand with her trademark style and wit now the best and in some cases the worst of gribbons personal experiences as a rider trainer breeder facility owner sponsor competitor instructor coach and judge first shared in herchroniclecolumns are gathered into one immensely entertaining sourcebook of history humorous anecdotes attempts to learn from dressage s past and prophesies about the sport s future anyone with an interest in dressage its controversies and its most famous names will enjoy gribbons stories but the true value is in her ideas for improving our horses our riders and our ability to compete on the international scene with success and integrity in the years to come
