values rich journeys can be described as pilgrimage spiritual travel personal heritage tourism holistic tourism and valuistic journeys there are many motivations for undertaking these journeys the most important being personal values life experience personal and social identity lifestyle social and cultural influence this book presents contributions that address pilgrim motivation identity and values as they are shaped by the broader sociological psychological cultural and environmental perspectives the focus of the book is the travellers themselves and their inner world through the lens of their pilgrimage the research presented focuses on the typology of pilgrim journeys as ways in which identity and values are presented to a post modern consumer society providing interesting and challenging perspectives on the identity of pilgrims in the 21st century

rome was one of the major pilgrim destinations in the middle ages the belief that certain objects and places were a focus of holiness where pilgrims could come closer to god had a long history in christian tradition in the case of rome the tradition developed around two of the city s most important martyrs christ s apostles peter and paul so strong were the city s associations with these apostles that pilgrimage to rome was often referred to as pilgrimage t o the threshold of the apostles debra birch conveys a vivid picture of the world of the medieval pilgrim to rome the romipetae or r rome seekers covering all aspects of their journey and their life in the city itself back cover

each year more than two million pilgrims from over 100 countries converge on the holy city of mecca to reenact the ritual dramas that muslims have been performing for centuries making the hajj is one of the most important duties in the life of a muslim the pilgrimage and its impact on international politics is enormous and growing every year yet westerners know virtually nothing about it what is the hajj and what does it mean who are the hajjis

what do they do and say in mecca and how do they interpret their experiences who runs the hajj and what are their political objectives how does the hajj encourage international cooperation among muslims and can it also promote harmony between islam and the west in guests of god robert r bianchi seeks to answer these and many other questions while it is first and foremost a religious festival he shows the hajj is also very much a political event the muslim world s leading multinational organization the organization of the islamic conference has established the first international regime explicitly devoted to pilgrimage every large muslim nation has developed a comprehensive hajj policy and a powerful bureaucracy to enforce it yet bianchi argues no authority secular or religious national or international can really control the hajj pilgrims believe that they are entitled to travel freely to mecca as guests of god not as guests of any nation or organization that might wish to restrict or profit from their efforts to fulfill a fundamental religious obligation drawing on his personal experience as a pilgrim and a wealth of data gathered over the course of ten years of research bianchi has produced a fascinating look at the hajj filled with personal candid stories from political and religious leaders and hajjis from all walks of life a wide ranging study of islam politics and power guests of god is the most complete picture of the hajj available anywhere

a timely wide ranging and well researched book that expanded my understanding of pilgrimage tristan gooley author of how to read a tree this year as they have for millennia many people around the world will set out on pilgrimages but these are not only journeys of personal and spiritual devotion they are also political acts affirmations of identity and engagements with deep rooted historical narratives kathryn hurlock follows the trail of pilgrimage through nineteen sacred sites from the temples of jerusalem to the banks of the ganges by way of iona lourdes amritsar and buenos aires revealing the many ways in which this ancient practice has shaped our religions and our world pilgrimages have transformed the fates of cities anointed dynasties provided guidance in hard times and driven progress in good filled with fascinating insights holy places unveils the complex histories and contemporary endurance of one of our most fundamental human urges

this work focuses the social context of writing in ancient western arabia in the oasis of ancient dadan modern day al ulā in the northwest of the arabian peninsula between the sixth to first centuries bc it offers a description and analysis of the language of the inscriptions and the variation attested within them it is the first work to perform a systematic study of the linguistic variation of the dadanitic inscriptions it combines a thorough description of the language of the inscriptions with a statistical analysis of the distribution of variation across different textual genres and manners of inscribing by considering correlations between language internal and extralinguistic features this analysis aims to take a more holistic approach to the epigraphic object through this approach an image of a rich writing culture emerges in which we can see innovation as well as the deliberate use of archaic linguistic features in more formal text types
