the editors william j devlin and shai biderman have compiled an impressive list of contributors to explore the philosophy at the core of david lynch s work lynch is examined as a postmodern artist and the themes of darkness logic and time are discussed in depth

poised to become a classic of jazz literature visions of jazz the first century offers seventy nine chapters illuminating the lives of virtually all the major figures in jazz history from louis armstrong s renegade style trumpet playing to sarah vaughan s operatic crooning and from the swinging elegance of duke ellington to the pioneering experiments of ornette coleman jazz critic gary giddins continually astonishes the reader with his unparalleled insight writing with the grace and wit that have endeared his prose to village voice readers for decades giddins also widens the scope of jazz to include such crucial american musicians as irving berlin rosemary clooney and frank sinatra all primarily pop performers who are often dismissed by fans and critics as mere derivatives of the true jazz idiom and he devotes an entire quarter of this landmark volume to young still active jazz artists boldly expanding the horizons of jazz and charting and exploring the music s influences as no other book has done

the volume is the first edition of all known and available letters between arnold schoenberg and over seventy american composers written between 1915 and 1951 in english and english translation and with commentary it includes numerous unknown letters and casts new light on schoenberg s american years his american composers colleagues and his life and works in the united states the book qualifies the concept of and schoenberg s association with the second viennese school and reveals hitherto unknown aspects of schoenberg s biography
