specific word combinations are used in everyday contexts in Spain and Latin America

This book shares the life narrative of Deysi Quiñones to shed light on the intricate relationship between her life and the wider cultural, political, social, and historical contexts of the Dominican Republic. Deysi's life narrative is a microhistory that sheds light on the intersection of gender violence and poverty under the Trujillo regime and in its wake her story recovers pieces of rural life which has been disrupted, transformed, and made less visible by the neoliberal order. It emphasizes the significance of expanding the Trujillo regime archive to encompass a broader spectrum of perspectives and attract more scholarly attention to Petán Trujillo's legacies. Deysi's life story can provide meaningful lessons and insights for today in the realm of gendered violence and children's exploitation. This book is intended as reading for sociology, gender, and women's studies, history, Latin American politics, and Caribbean and Latin American studies courses and for a general educated audience. The book intersects with topics that are widely covered in research in the humanities and social sciences and is appropriate for both advanced undergraduate and graduate courses. The book can appeal to human rights activists, novelists, and individuals and organizations interested in history, politics, authoritarian societies, and gendered violence.

This volume represents a rereading of modernism and the modernist canon from a double distance: geographical and temporal. It is a revision not only from the periphery (Spain and Latin America) but from this new fin de siècle as well. A revisiting of modernity and its cultural artifacts from that same postmodernity. Modernism and its margins is an attempt at introducing different perspectives and examples in the theoretical debate, redefine dominant assumptions of what modernism or margins mean in our historical juncture.

Everything in its place: The life and works of Virgilio Pinera is a seminal book that fills a major gap in Cuban and Latin American literary criticism. In addition to being the most comprehensive study to date of the life and work of Virgilio Pinera, this is the first book in English on this major twentieth-century Cuban author. In this study, Thomas F. Anderson draws extensively on unpublished manuscripts and diverse critical writings, bringing new insights into how Pinera's works responded to key literary influences as well as events in his life and in Cuban political and cultural history.

This dictionary consists of some 100,000 terms in both Spanish and English drawn from the whole range of business finance.

and banking terminology over 45 subject areas are covered compiled by a team of international terminologists

this groundbreaking collection of essays examines argentine cultural production in the years between 1989 2001 which coincided with the implementation of neoliberalism under president carlos saul menem 1989 1999 and his successor fernando de la rúa 1999 2001 in order to do so this work provides an overview of the way argentine writers filmmakers musicians and media reacted to this centrality of the market forces this collection will be of interest to scholars of latin american cultural studies hispanic studies film studies as well as those of comparative literature
