who am i what is justice what does it mean to live a good life many of the fundamental questions of philosophy are questions that we begin to ask ourselves as young adults when we look at the world around us at ourselves and try to make sense of things this engaging and accessible book invites the reader to explore the questions and arguments of philosophy through the work of one hundred of the greatest thinkers within the western intellectual tradition covering philosophical scientific political and religious thought over a period of 2500 years philosophy will serve as an excellent guide for those interested in knowing about individual thinkers such as plato aristotle rousseau and nietzsche to name just a few and the questions and observations that inspired them to write by presenting individual thinkers details of their lives and the concerns and circumstances that motivated them this book makes philosophy come to life as a relevant and meaningful approach to thinking about the contemporary world a lucid and engaging book full of thought provoking quotations as well as clear explanations and definitions philosophy is sure to encourage students and laymen alike to investigate further

philosophy 100 essential thinkers tells the story of philosophic thought from the ancient greeks to w v o quine america s greatest living philosopher up until his death on christmas day 2000 while covering all of the greats of philosophy plato socrates spinoza hobbes rousseau kierkegaard nietzsche wittgenstein de beauvoir and camus to name just a few this book also includes many who are not seen primarily as philosophers such as darwin freud adam smith william james and einstein taking up the fundamental questions asked by philosophers such as what does it mean to live a good life what is justice what can we really know philosophy presents the many fascinating conclusions at which thinkers such as marcus aurelius heidegger and sartre have arrived full of thought provoking quotations biographical detail and clear explanations philosophy is food for the intellectually curious who am i many of the fundamental questions of philosophy are questions that we begin to ask ourselves as young adults when we look at the world around us at ourselves and try to make sense of things this engaging and accessible book invites the reader to explore the questions and arguments of philosophy through the work of one hundred of the greatest thinkers within the western intellectual tradition covering philosophical scientific political and religious thought over a period of 2500 years philosophy will serve as an excellent

guide for those interested in knowing about individual thinkers such as plato aristotle rousseau and nietzsche to name just a few and the questions and observations that inspired them to write by presenting individual thinkers details of their lives and the concerns and circumstances that motivated them this book makes philosophy come to life as a relevant and meaningful approach to thinking about the contemporary world a lucid and engaging book full of thought provoking quotations as well as clear explanations and definitions philosophy is sure to encourage students and laymen alike to investigate further philosophy includes a 10 page glossary that defines 69 terms including aesthetics concept essence materialism natural law theism and verifiability

contributed three new ideas to the development of philosophy that goodness consists not in helping friends and harming enemies but in not harming anybody at all that goodness and knowledge are one and the same thing and that for progress to be made in argument there must be step by step agreement between those arguing

who am i what is justice what does it mean to live a good life many of the fundamental questions of philosophy are questions that we begin to ask ourselves as young adults when we look at the world around us at ourselves and try to make sense of things this engaging and accessible book invites the reader to explore the questions and arguments of philosophy through the work of one hundred of the greatest thinkers within the western intellectual tradition covering philosophical scientific political and religious thought over a period of 2500 years philosophy will serve as an excellent guide for those interested in knowing about individual thinkers such as plato aristotle rousseau and nietzsche to name just a few and the questions and observations that inspired them to write by presenting individual thinkers details of their lives and the concerns and circumstances that motivated them this book makes philosophy come to life as a relevant and meaningful approach to thinking about the contemporary world a lucid and engaging book full of thought provoking quotations as well as clear explanations and definitions philosophy is sure to encourage students and laymen alike to investigate further

whether you re an educator cst member administrator or other educational professional you share one thing in common dealing with difficult parents and families every educator has experienced problematic unproductive and or uncomfortable interactions with parents or families whether it be issues of defensiveness noncompliance the belief that his or her child does no wrong or just plain hostility it can place an incredible stress on your job duties utilize this book to equip yourself with effective practical tools geared to help productively tailor your interventions around the most common types of challenging parents and families

this volume was first published by inter disciplinary press in 2014 play has always had a special place in the world and for much of our literate history has been seen as capturing the true essence of the individual and the surrounding culture all of the chapters in this book express the sentiment that we can see in play the embodiment of human beings as well as our societal cultures this is evident in our aesthetic transcendent and everyday play experiences in the literature we read the theatre we attend the games we play the art we experience and in the way our lives are organized by powerful others and societal license and as several chapters illuminate play is the world we construct to express our opposition to the pluralistic and controlling world we live in a way to express our individuality and create an interval a transient haven the chapters in this book encourage the reader about a reflective way of thinking about play that preserves contemplates and clarifies how play embodies our selves and our cultures

what makes a good teacher in 1991 hartmut von hentig attempted to answer this when he first formulated a socratic oath for the profession and it is a question which remains relevant today in the socratic oath for teachers klaus zierer revisits and reframes the concept of a teacher s oath while also addressing challenges currently facing our societal

developments in recent didactic methodological research and fresh perspectives on the goals of the teaching profession referencing socrates throughout this short think piece proposes a professional oath for teachers that at its core is fully committed to the successful education and well being of students drawing upon key research and his own experiences within education zierer answers the following questions establishing how a professional oath may support teachers what is a professional oath and what can it do what characterises teacher professionalism what can be understood by teacher attitudes why are they crucial for a successful professional oath why is socrates suitable as a guarantor for a professional oath of teachers why is a renewal of the socratic oath necessary for whom is an oath necessary and what must it contain in this fascinating work klaus zierer explores the principles and goals of the teaching profession and formulates theoretically sound and empirically validated principles of successful teaching this is an essential read for any teacher senior leader policy maker educationalist or researcher who wants to learn more about what makes a good teacher

as far as the roots of civilization dwell therein lies the birth of its intertwining with religion religion has often been the origin of dissent or war amongst different nations in their efforts to conform opposing societies to their own view of what is right gathering together a cohesive timeline from the onset of organized religion and government to its current manifestation in premiere countries such as england the united states and china civilization god and the end of democracy reviews opposing viewpoints and evidence for what could potentially be the beginning of the end of democracy as we know it however although this democracy has become corrupt and distorted in places there is still hope that it will serve as a version but an as yet unseen one of its original intent

celebrating its fiftieth year in publication great political thinkers is an indispensable text for all students of political philosophy this text contains portions of great works in their original form to whet the appetite and to encourage discussion within the classroom by providing historical context and current scholarship alan ebenstein builds upon the framework of influences that have shaped current political thoughts and theories

socrates asks where have you come from and where are you going the greek philosopher socrates once asked his student phaedrus where have you come from and where are you going and although this sounds like just a greeting between two friends these two simple questions are really at the heart of most real greek philosophy we all want to know how it is we got here where did the universe come from and what is our place in it and we all want to choose the best most fulfilling and happiest life for ourselves in the years ahead whether we like it or not at certain critical times in our lives we all have to make important and sometimes difficult life choices and these choices are largely philosophical in nature what goals should i have for my life and what are the most important criteria for me personally when making my own unique life choices these sorts of questions are explored in this book and to help answer them we will look at some important advice from socrates plato and aristotle warning this book simply offers you a wider viewpoint on life and the kind of life you will choose for yourself it encourages you to investigate some fundamental philosophical questions as you make your own choices and decisions the book does not tell you how to live your life or offer you some kind of dogma about what you should or should not do as well as being of interest to people making important life choices this book will also appeal to anyone already interested in philosophy who wants to get a better understanding of why the names of socrates plato and aristotle are still so well known today some 2 400 years after these great philosophers lived the real greek philosophy of socrates is less about discussing vague abstract ideas and is much more concerned with the practical side of our lives today several of plato s books are discussed in some detail including the first alcibiades phaedrus and phaedo and some important common themes in plato are also looked at aristotle s practical philosophy about how to improve our lives and the cities we live in is also explored by the end of this book you will have a good idea of who socrates plato and aristotle really were and what greek philosophy is really all about

in the socratic sense of the word note all author royalties and profits from this createspace version of the book in 2016 and 2017 will go towards the encouragement of a a sustainable global population and giving all women access and empowerment to choose family planning if they wish especially in regions with high birth rates b more moderate and sustainable living especially in regions of high consumption and environmental impact c poverty relief and d the further understanding of real greek philosophy and why it is so important today

each volume in this series has a full introduction including biographical details and a further reading list
