a thirteen year old girl gains a much more sympathetic understanding of her relationship with her mother when she has to spend a day in her

mother s body

we live in a complex world that can at times frustrate our attempts to understand it to cope with such an environment human beings must be able to reason clearly methodically subtly comprehensively in a word skillfully although this ability depends to a certain extent on one s innate intellectual endowment much of it is due to learning and habit one s education beginning in the home and continuing thereafter in school plays an important role in how well we contend with the flood of natural and man made information that daily washes over us the university bears a particular responsibility for educating reason that is transmitting to students a set of thinking skills and content that will help them make their way not just in the tumultuous present but also in any alternative future they are likely to face we will argue that in order to carry out this responsibility higher education must first acknowledge that its task is not simply to transmit a curriculum that enables the student to be technically proficient that is to apply skills competently and reliably education properly so called demands more than this it requires that students develop a wealth of epistemic virtues internal deeply grounded acquired intellectual excellences which motivate and direct one s use of the cognitive skills in such a way as to promote a life worth living in order to address this theme we will examine a range of benefits and challenges associated with learning and teaching cognitive skills at the college level specifically we will look at deduction and some of its multiple articulations with other intellectual skills these benefits and challenges will be organized according to the following categories 1 logical issues having to do with deduction itself 2 linguistic concerns related to translation from natural language into the formal language of modern logic 3 certain matters associated with other cognitive skills which bear an important functional relationship to deduction such as application analysis synthesis and evaluation and 4 an account of the epistemic virtues including the fundamental role they play in the exercise of the skills and their importance in the development of the cognitive agent

few north carolinians were as well known or as widely respected as william friday 1920 2012 although he never ran for elected office the former president of the university of north carolina was prominent in public affairs for decades and ranked as one of the most important american university presidents of the post world war ii era in this comprehensive biography william link traces friday s long and remarkable career friday s thirty years as president of the university from 1956 to 1986 spanned the greatest period of growth for higher education in american history and he played a crucial role in shaping the sixteen campus university during that time of tumultuous social change in the 1960s and 1970s he confronted a series of administrative challenges including the expansion of the university system the evolving role of the federal government in the affairs of a public university an intercollegiate athletics scandal the anticommunism crusade and the speaker ban and racial integration link also explores friday s influential work outside the university in american higher education on the carnegie commission on the future of american education and the white house task force on education and in the development of the national

humanities center and the growth of research triangle park after retiring from the university friday headed the william r kenan jr fund and the kenan charitable trust he died october 12 2012

award winning novel mary is a naïve young woman whose life is not as planned betrayal in her marriage leaves her bitter heartbroken and angry instead of praying for god s direction she lives on her own understanding walking away from the one who loves her the most her savior jesus christ focused on forgetting the pain of her past mary spends her days working as sales and marketing director at a popular resort and becomes a best selling author while trying to balance her life she desires to follow jesus as jesus continues to provide forgiveness healing and strength mary s life takes a remarkable turn she becomes a single mom even as her faith is tested mary understands her need for her dependence on jesus and forgiveness in her heart mary desires to use her story to save others from pain will her walk faith and trust in jesus christ be enough to help her reject outside influences determined to change her decisions in following his plan for her life when jesus calls is a story of undeniable faith mary realizes she has not protected her heart well as god s word says in proverbs 4 23 above all else guard your heart for everything you do flows from it repenting of her sins mary finds peace and comes to know her savior jesus christ in a more personal way realizing he will never fail her and all things work together for his glory

in laura fish s ambitious and captivating novel three very different women struggle for freedom while elizabeth barrett browning is confined to bed chafing against the restriction of her doctors and writing poetry and fretful letters at her family s jamaican estate kaydia the creole housekeeper tries to protect her daughter from their predatory master and a recently freed black slave sheba mourns the loss of her lover as elizabeth a passionate abolitionist struggles to come to terms with the source of her wealth and privilege both sheba and kydia fight to escape a tragic past which seems ever present the resulting novel is an extraordinary evocation of the dark side of the nineteenth century that is both horrifying and ultimately redeeming

sections of this work are devoted to the pioneers and early settlers in the colonial and revolutionary periods giving names of officers names of members of the committee of correspondence and full texts of orders and letters also included are transcriptions of births marriages and deaths from the celebrated giessendanner records from 1737 to 1761

includes literature
