presents a collection of recipes from a variety of chefs and celebrities along with the hosts of the today show

ikea s future living lab space10 has made their first ever cookbook with a collection of recipes based on future food trends what we eat today shapes tomorrow considering the world s food production is challenging the planet we need to eat in alternative ways now and in the future future food today is a collection of recipes based on future food trends straight from the space10 food lab and test kitchen the book expresses space10 s beliefs around food and food production from dogless hotdogs and algae chips to bug burgers and microgreen popsicles it s packed with dishes we could one day be eating on a

regular basis it also includes simple guides to producing food locally and sustainably and explains how to use alternative ingredients gastronomic innovation and technology such as hydroponic farming to offer an alternative to the planet's growing demand for food and excessive consumption of meat features future food today is both a coffee table book and a kitchen tool challenging the category of cookbooks both visually and conceptually it frames the zeitgeist around food and future food in a visually appealing and easily understandable way futuristic and aspirational this cookbook with a lab mindset offers a down to earth and hands on approach to food

ethnic american food today introduces readers to the myriad ethnic food cultures in the u s today entries are organized alphabetically by nation and present the background and history of each food culture along with explorations of the place of that food in mainstream american society today many of the entries draw upon ethnographic research and personal experience giving insights into the meanings of various ethnic food traditions as well as into what how and why people of different ethnicities are actually eating today the entries look at foodways the network of activities surrounding food itself as well as the beliefs and aesthetics surrounding that food and the changes that have occurred over time and place they also address stereotypes of that food culture and the culture's influence on american eating habits and menus describing foodways practices in both private and public contexts such as restaurants groceries social organizations and the contemporary world of culinary arts recipes of representative or iconic dishes are included this timely two volume encyclopedia addresses the complexity and richness of both ethnicity and food in america today
