in spring of 1953 newly elected president eisenhower sat down with his staff to discuss the state  
of american strategy in the cold war america he insisted needed a new approach to an urgent  
situation from this meeting emerged eisenhower s teams of bright young fellows charged with

developing competing policies each of which would come to shape global politics in spirits of the cold war ned o gorman argues that the early cold war was a crucible not only for contesting political strategies but also for competing conceptions of america and its place in the world drawing on extensive archival research and wide reading in intellectual and rhetorical histories this comprehensive account shows cold warriors debating worldviews in addition to more strictly instrumental tactical aims spirits of the cold war is a rigorous scholarly account of the strategic debate of the early cold war a cultural diagnostic of american security discourse and an examination of its origins
