this book challenges traditional approaches to heritage interpretation and offers an alternative theoretical architecture to the current research and practice russell staiff suggests that the dialogue between visitors and heritage places has been too focused on learning outcomes and so heritage interpretation has become dominated by psychology and educational theory and over reliant on outdated thinking using his background as an art historian and experience teaching heritage and tourism courses russell staiff weaves personal observation with theory in an engaging and lively way he recognizes that the digital revolution has changed forever the way that people interact with their environment and that a new approach is needed

the importance of bessarion's contribution to the history of byzantine and renaissance philosophy and culture during the 15th century is beyond dispute however an adequate appreciation of his contribution still remains a desideratum of scholarly research one serious impediment to scholarly progress is the fact that the

critical edition of his main philosophical work in *calumniatore platonis* is incomplete and that this work has not been translated in its entirety into any modern language yet same can be stated about several minor but equally important treatises on literary theological and philosophical subjects this makes editing translating and interpreting his literary religious and philosophical works a scholarly priority papers assembled in this volume highlight a number of philological philosophical and historical aspects that are crucial to our understanding of bessarion's role in the history of european civilization and to setting the directions of future research in this field

the musical and cultural legacy of the beatles remains complex in a post industrial setting in which both popular and traditional heritage tourism have emerged as providers of regular employment on merseyside michael broken considers how major players in what might be described as a beatles music tourism industry have constructed new interpretations of the past and placed these in such an order as to re confirm re create and re work the city as a symbolic place that both authentically and contextually represents the beatles

2023 reference book of the year from the academy of parish clergy throughout our history jews have traditionally responded to our trials with hope psychologist david arnow says because we have had ready access to judaism's abundant reservoir of hope the first book to plumb the depths of this reservoir choosing hope journeys from biblical times to our day to explore nine fundamental sources of hope in judaism teshuvah the method to fulfill our hope to become better human beings tikkun olam the hope that we can repair the world by working together abraham and sarah models of persisting in hope amid trials exodus the archetype of redemptive hope covenant the hope for a durable relationship with the one of being job the hard fought hope that brings a grief stricken man back to life world to come the sustaining hope that death is not the end israel high hope activists work to build a just and inclusive society for all israelis jewish humor hope's last weapon in our darkest days grounded in a contemporary theology that situates the responsibility for creating a better world in human hands with god acting through us choosing hope can help us both affirm hope in times of trial and transmit our deepest hopes to the next generation

eminent frye scholar robert d denham explores the connection between frye and writers who influenced his thinking but about whom he never wrote anything extensive aristotle longinus joachim of floris giordano bruno henry reynolds robert burton kierkegaard lewis carroll stéphane mallarmé colin still paul tillich and frances a yates

interpreting heritage is a practical book about the planning and delivery of interpretation that will give anyone working in the heritage sector the confidence and tools they need to undertake interpretation steve slack suggests a broad formula for how interpretation can be planned and executed and describes some of the most popular and potentially challenging or provocative forms of interpretation slack also provides practical guidance about how to deliver different forms of

interpretation while avoiding potential pitfalls exploring some of the ethical questions that arise when presenting information to the public and offering a grounding in some of the theory that underpins interpretive work the book will be suitable for those who are completely new to interpretation those who already have some experience will benefit from tools advice and ideas to help build on their existing practice drawing upon the author's professional experiences of working within and for the heritage sector interpreting heritage provides advice and suggestions that will be essential for practitioners working in museums art galleries libraries archives outdoor sites science centres castles stately homes and other heritage venues around the world it will also be of interest to students of museum and heritage studies who want to know more about how heritage interpretation works in practice
