fame wealth power and fleeting pleasures are transient and have no eternal value doing the will of god is enduring and is what really count forever we are all presently on a journey through life that will end in death but we can make it a journey from death to life abundant by living it with yahweh god and in him jesus christ the only perfect man has made this possible in reconciling us to god by dying in our place and cleansing us this makes it possible for god to dwell in us by his spirit to help us to overcome sin and live life pleasing to him jesus always does the things that are pleasing to the father jn 8 29 he loves the father and does exactly what the father has commanded him jn 14 31 jesus secret is not to seek to do his own will but the will of god jn 5 30 god wants us to be like jesus and be conformed to his likeness rom 8 29 and to live with gods self giving love this is a way of life or mentality that does nothing from selfish ambition or conceit but in humility counts others more important than ourselves phil 2 3 through gods enabling it is in this way that there will be real peace and righteousness this is what this book is about we are on probation on earth to point others to god by our words and our life

life and death in freud and heidegger argues that mortality is a fundamental structuring element in human life the ordinary view of life and death regards them as dichotomous and separate this book explains why this view is unsatisfactory and presents a new model of the relationship between life and death that sees them as interlinked using heidegger s concept of being towards death and freud s notion of the death drive it demonstrates the extensive influence death has on everyday life and gives an account of its structural and existential significance by bringing the two perspectives together this book presents a reading of death that establishes its significance for life creates a meeting point for philosophical and psychoanalytical perspectives and examines the problems and strengths of each it then puts forth a unified view based on the strengths of each position and overcoming the problems of each finally it works out the ethical consequences of this view this volume is of interest for philosophers mental health practitioners and those working in the field of death studies
