Why speak about love in all its facets
Love is a diamond we cannot fathom its depths by a combination of all its facets
We hope to reach a vision of true love
I realize that all people are looking for love so they can say life is beautiful
Love appears in different forms
Different versions
Different ages and different cultures
It is present everywhere but transparent like wind and water
Could it be an element of nature that feeds us daily
Everybody knows that when we fall in love we just need fresh water to survive
Love is the word we use the most to express a feeling of satisfaction
We use it more to express our personal sensations than those inspired in somebody else
This is not our fault
We are taught growing up to hide our feelings and say things halfway so as not to shock
That's what it means to live in community
Society attempts to control people who have chosen to live inside it
To control love by imposing rules that restrict behavior
Sex is one of its priorities
In the olden days homosexuality was a normal sexual behavior
It was tolerated at the time of kings
Incest was accepted
Each period imposes sexual taboos and as a consequence nowadays we live with so many taboos
We don't understand them in depth
To my mind taboos are designed to manage the general interest and safeguard society
I also think that they have to arise themselves from a loving sentiment
