dubbel s handbook of mechanical engineering has provided generations of german speaking engineers with a comprehensive source of guidance and reference on which they can rely throughout their professional lives the key sections of this standard work are now available for the first time in english each subject is discussed in detail and supported by numerous figures and tables din standards are retained throughout but iso equivalents are given where possible the text offers a concise but detailed and authoritative treatment of the topics with full references contents mechanics strength of materials thermodynamics engineering design hydraulic and pneumatic power transmission components of thermal apparatus machine dynamics and components manufacturing process and systems

in the history of integration of the armed forces morris j macgregor meticulously chronicles the transformative journey of racial integration within the united states military from world war ii through the post vietnam era employing a narrative that seamlessly interweaves personal anecdotes government policies and socio political contexts macgregor s exploration is both scholarly and engaging his literary style balances rigorous historical analysis with accessible prose allowing readers to grasp the complexities of military integration as a reflection of broader societal changes the book situates itself within the context of civil rights movements illustrating the military s role as both a catalyst for and a responder to growing demands for equality and justice within american society morris j macgregor s extensive expertise in military history stems from a long career as a historian and educator as well as his firsthand experiences as a veteran his profound understanding of the intricate dynamics of race relations within military structures not only shapes the narrative but also personalizes the struggles faced by countless service members macgregor s dedication to accurately depicting this pivotal period showcases his

commitment to illuminating often overlooked chapters of american history i highly recommend the history of integration of the armed forces to historians students and anyone interested in the intersection of military history and civil rights macgregor s insightful analysis and compelling storytelling provide readers with critical perspectives on how integration has altered the fabric of the u s armed forces and reflects shifting societal attitudes toward race and equality
