do you or someone you know need some christian encouragement perhaps you have become discouraged from chronic pain that never leaves depression that makes it hard to even get up and get dressed or a recent cancer diagnosis or you are recovering from surgery this book uses scripture to encourage the reader in a devotional format and provides a biblical study of gods grace in healing our bodies and living in complete victory god wants us to be well and to live in victory overcoming any hardship that comes in our way

why does god heal some people but not others do you have questions about divine healing how does it work what is required how much faith is necessary in the grace of healing pastor author and renowned bible teacher bob yandian answers these questions while revealing the missing ingredient to the healing you ve been

throughout the history of christianity lesbian gay bisexual and transgender lgbt or queer people have been condemned as unrepentant sinners who are in dire need of god s saving grace as a result of this condemnation lgbt people have been subjected to great spiritual emotional and physical abuse and violence this issue takes on a particular urgency in light of the ongoing harassment and bullying of lgbt young people by their classmates cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws rather cheng proposes a christological model

based upon the theologies of irenaeus bonaventure and barth in which sin and grace are defined in terms of what god has done for us in jesus christ this book serves as a useful resource for all people who struggle to make sense of the traditional christian doctrines of sin and grace in the context of the 21st century

taking the influential work of arthur huff fauset as a starting point to break down the false dichotomy that exists between mainstream and marginal a new generation of scholars offers fresh ideas for understanding the religious expressions of african americans in the united states fauset s 1944 classic black gods of the metropolis launched original methods and theories for thinking about african american religions as modern cosmopolitan and democratic the essays in this collection show the diversity of african american religion in the wake of the great migration and consider the full field of african american religion from pentecostalism to black judaism black islam and father divine s peace mission movement as a whole they create a dynamic humanistic and thoroughly interdisciplinary understanding of african american religious history and life this book is essential reading for anyone who studies the african american experience

excerpt from the grace of healing we have no other foundation than the word of god for our faith in divine healing we need no other every unbiased mind must see it in the word of god testimony is good and often gives a divine impulse to our faith in the living promises but the word of god alone is the rock upon which our faith must stand every individual must find this sure foundation for his feet so that in every trial his faith may rest secure and he may triumphantly say i am built upon the foundation of the apostles and prophets jesus christ himself being the chief corner stone praise god we are in the midst of all the gospel privileges let us open our hearts toward god and through his excel lent living word let us drink in the streams of unceas ing blessings our spiritual and physical life may be deluged with grace the throne of grace is accessi ble and provides every need for soul and body we use the term grace of healing because it is the favor of god shown toward us in his merciful pro vision for the health of his people the health cove nant with israel was but the foreshadowing of this grace which should be revealed through the gospel of christ which is extended to all who meet the condi tions of redemption and through faith become heirs according to the promise about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

this sixth volume of the romans through history and culture series consists of 14 contributions by north american and european medievalists and pauline scholars who discuss significant readings of romans through the twelfth and thirteenth centuries to the eve of the reformation the commentaries of abelard william of st thierry thomas aquinas and nicolas of lyra and the wider influence of romans as reflected in the letters of heloise and the works of dante demonstrate the reception of romans at this period starting with an introduction inviting the reader to into the biblical environment of the middle ages and suggesting the varied ways in which paul was understood in both high clerical culture and among the people it also offers a summary of the work done by each of the authors this volume attests the dominant role of scripture in communal life and witnesses to the pervasive influence of paul s letter to the romans in the flourishing discussions on scripture and theology

healed by the grace of god is a practical guide of how to open up to the true power of god s

healing grace a must read for all who seek healing or wish to lead happier holier and more peace filled lives it starts with the basics of life and faith and builds on this with processes and suggestions that are sure to inspire and bring hope to the hopeless it affirms that god is truly alive and that his saving power and mercy are open to all who seek them right now it contains all that has helped the author to heal and transform his life in areas where psychiatrists and psychologists could not help or simply held no hope for success he found hope and help in the lord

this book makes a significant contribution to the study of african pentecostalism by reflecting on their output deviating from the widespread phenomenon of scholars from the global north being dominant voices on african pentecostalism this volume brings together african scholars from diverse academic disciplines and african diasporan to showcase how they ve helped to shape the field this volume addresses the lacuna in the available scholarship by undertaking detailed analyses of how scholarship and exemplifies the various areas where african scholars have made and continue to make contributions the included chapters engage in methodological debates on african pentecostalism from the continent as well as from african diaspora and is a must read for scholars working on pentecostalism

offers an overview of the varieties of ways african americans address healing and health particularly through religion faith and spirituality
