the first presidency and the quorum of the twelve apostles have established the teachings of presidents of the church series to help you draw closer to your heavenly father and deepen your understanding of the restored gospel of jesus

christ as the church adds volumes to this series you will build a collection of gospel reference books for your home the volumes in this series are designed to be used for personal study and for sunday instruction they can also help you prepare other lessons or talks and answer questions about church doctrine this book features the teachings of president joseph fielding smith who served as president of the church of jesus christ of latter day saints from january 23 1870 to july 2 1890

the consummation of the ages vol iii is a continuation of the end times series

consummation of the ages vol iii talks about the many false religions plaguing the church and false leaders the spirit of greed selfishness mammon liars and deceivers are causing many believers to fall away from the faith these men have been prophesied from the beginning jesus will deal with these men in his time

vols for 1898 1905 also include an account of the general conference of the desert sunday school union

why are there so many competing christian churches in the world today it is because men interpret the same passage of scripture and its terms in different ways if there ever is to be a unity in christianity it will require a unity of understanding the scriptures it is our personal challenge in life to discover the truth of things for all of us the truth in religion isn't necessarily what we expect or want to find but for those of us who will accept truth when we find it in the scriptures it will be found in the definitions of the terms of salvation that are used consistently by the prophets we find on examination that the terms of salvation in the bible are fairly consistent in meaning throughout the book even though the bible was written by many different prophets the mormon religion claims to possess other books of

scripture this book also compares what is written in their books against what is written in the bible with very interesting results the reader from any religion will find this book a key to understanding the spirit of the bible and the details of the gospel of jesus christ

vols for 1905 include also the proceedings of the general conference of the deseret sunday school union
