inside the making of one of the biggest selling albums of all time fleetwood mac s rumours fleetwood mac s classic 1977 rumours album topped the billboard 200 for thirty one weeks and won the album of the year grammy more recently rolling stone named it the twenty fifth greatest album of all time and the hit tv series glee devoted an entire episode to songs from rumours introducing it to a new generation now for the first time ken caillat the album s co producer tells the full story of what really went into making rumours from the endless partying and relationship dramas to the creative struggles to write and record you make loving fun don t stop go your own way the chain and other timeless tracks tells the fascinating behind the music story of the making of fleetwood mac s rumours written by the producer who saw it all happen filled with new and surprising details such as stevie nicks and lindsey buckingham s screaming match while recording you make loving fun how the band coped with the pressures of increasing success how the master tape nearly disintegrated and the incredible attention paid to even the tiniest elements of songs from lindsey playing a chair to mick breaking glass includes eighty black and white photographs

fleetwood mac all the songs dives deep into the unique and often fraught recording history of the mega bestselling and hugely influential rock band packed with captivating photographs and fascinating behind the scenes details it s a must have for any music history fan fleetwood mac is the one of the most enduring endearing and drama filled bands in rock history whose triumphs struggles and music continue to resonate with generations of listeners this thorough dissection of every album and every song ever released by the beloved rock group follows the band s many iterations from their self titled debut in 1968 when they were known as peter green s fleetwood mac to the classic rumours era featuring the core line up of lindsey buckingham mick fleetwood christine mcvie john mcvie and stevie nicks all the way up to the passing of christine mcvie in november 2022 the writing and recording process of each and every track is dissected discussed and analyzed by authors olivier roubin and romuald ollivier through the band s many breakups and shakeups fleetwood mac all the songs draws upon years of research to recount the circumstances that led to the composition of every song the band ever wrote as well as the details behind their in studio recording process also featuring hundreds of photographs including rare black and white publicity stills images of instruments used by the band and engaging shots of the musicians in studio this is a must have book for any true fan of classic rock

rock music of all varieties has been influenced by classical music and vice versa both in the form of direct quotes and in the form of borrowings of style composition and instrumentation the average listener may be unaware of the many links between rock music and the classics one might remember a few examples such as walter murphy s chart topping a fifth of beethoven or eric carmen s all by myself but pass them off as interesting anomalies however the influence of the classics on rock music is pervasive and grows from a long line of precedents this second supplement to janell r duxbury s original 1985 discography rockin the classics and classicizin the rock brings the earlier work and first supplement up to date with hundreds of new entries documenting recently released or newly discovered examples of the interconnection between these musical genres duxbury details nearly 700 new examples of recorded rock instrumentals and songs that borrow musical themes from the classics variations range from contemporary renditions of complete classical works to brief classical quotes or phrases subtly incorporated into rock compositions duxbury also gives additional examples of recorded orchestral versions of songs originally composed and or written by rock artists in these examples the musical style varies from strict classical interpretations to pop style orchestral renditions the second supplement then expands duxbury s original compilation of sound recordings and live performances of rock groups performing with established orchestras and choruses selected samples of recorded rock music that simulate baroque or classical sound structure examples of the manifest influence of rock on classical music and instances of rock artists and classical artists switching roles lastly this discography updates the 1985 version and the first supplement with new information expanded details and minor corrections to the earlier works an extended list of selected non rock background examples is included in several new appendixes the preface is updated a general index includes the names of classical composers rock artists and groups orchestras choruses orchestra conductors sound recording producers and song or instrumental titles with its incomparable scope and content this supplement together with duxbury s previous

discography and its first supplement will be appreciated by students researchers record collectors trivia buffs music industry employees and fans of rock music and the classics

sex drugs loud music wild costumes dazzling light shows these words can all describe a great rock concert or a hot dance club but they were also part and parcel of the ancient cultural phenomenon known as the mystery religions in this book author christopher knowles shows how the mystery religions got a secular reincarnation when a new musical form called rock n roll burst onto the scene the secret history of rock n roll traces the history of the mysteries their rise their fall and their survival through long centuries of repression knowles shows how the mysteries prefigured subcultures as diverse as santeria freemasonry mardi gras and even the holiness churches of the american frontier and explains exactly how ancient rituals and music found their way to the new world in the process the secret history of rock n roll traces the development of rock s most popular genres such as punk and heavy metal and reveals how many of rock s most iconic artists play the same archetypal roles as the ancient gods you ll see how many of the rituals and customs and even musical styles of our postmodern society have stunning ancient parallels you ll meet history s first pop
