dog pure awareness is a psychological and ultimately spiritual exploration of the human dog connection
people think of their dogs as companions as partners and as members of their family and this book takes
that idea seriously the mind of the dog is approached as someone who lives with us and knows us
sometimes better than anyone else in the world the book answers questions that all of us who live with a
dog have asked what is she thinking when she stares into my eyes how does he know when i am feeling
sad or anxious why is she so happy to see me when i ve been gone for only 10 minutes the answers in
dog pure awareness come from an original and revealing combination of relational psychology and
shamanic understanding the connection between a human and her dog is treated as a relationship two
beings in close connection who find strength and a sense of belonging in each other using psychological
concepts such as attunement and perceptual awareness the book explores the ways in which human and

that will appeal to all dog lovers it validates people s experience that their dog is deeply important to
them it is also a serious theory of the human dog connection which will be of interest to professionals
