the true story of an english drug smuggler a notorious bolivian prison and enough cocaine to cover the andes a unique window on a bizarre and corrupt world publishers weekly travel literature of a very special and captivating kind booklist rusty young a twenty something australian law graduate was backpacking in south america when he heard about thomas mcfadden an english drug trafficker who ran tours inside bolivia s notorious san pedro prison when rusty met thomas they formed a surprising yet instant friendship and then became partners in an attempt to record thomas s experiences in the jail the result is one of the most compelling prison stories of all time marching powder is a shocking sometimes darkly comic account of life in san pedro in this bizarre prison inmates are expected to buy their cells from real estate agents others run shops and restaurants and women and children live with imprisoned family members violence and crime are never far away and the jail contains some of bolivia s busiest cocaine laboratories in san pedro cocaine makes life bearable even the prison cat is addicted to crack yet amid the corruption brutality and the daily struggle for survival marching powder is also the tale of an unlikely friendship forged in the oddest of circumstances between a drug smuggler and a lawyer it is the story of one of the strangest places on earth where horror is leavened by humour and where cruelty lives side by side with compassion

an unfettered probing dialogue between mexican and american political analysts on the complex relationship between their countries few nations are as closely interrelated as the united states and mexico few relationships between nations are so prickly america s inveterate problem solving strikes mexicans as clandestine imperialism mexicans are

accused of ignoring the flow of drugs through their country americans are accused of saddling mexico with their drug problem americans brood over the influx of mexican immigrants mexicans worry that their culture and traditions are being diluted from the north these differences are now aired and their origins made clear in this landmark book by a former official in the carter administration and one of mexico s most respected political scholars in alternating chapters on foreign policy economic relations immigration and social influence robert a pastor and jorge castañeda offer a multifaceted view of the ties and conflicts between their countries

the war on drugs in the americas brings together the history of the war on drugs in the us and latin america to reveal how since 1914 when the us first criminalized the non medical use of narcotics the trade and violence associated with drugs has developed throughout the hemisphere this concise and accessible book provides an overview of the geographic historical economic and social dimensions of the war on drugs throughout the past century notable figures popular drugs competing theories and significant historical events take center stage as the story moves between macro analysis and micro details aside from infamous cartel leaders like colombia s pablo escobar and mexico s el chapo guzman the reader learns about equally important but lesser known latin american and us traffickers in addition to counter narcotics giants readers learn about law enforcement against prohibition leap dea agents working to fight pharmaceutical companies and distributors cutting edge researchers and politicians that have pushed for and against the war the war on drugs in the americas is essential reading for students studying latin american history international studies and politics through its clear and objective narrative of the origins impact and debates behind the war on drugs in the us and latin america

eight principles for a modern cbt is a training guide for both new and experienced clinicians

who want to understand and apply the newest developments in cognitive behavioral therapy it s a hands on manual that helps readers sort through competing models for addressing cognitive change emotion processing and behavior change when is acceptance indicated and how does one do acceptance in therapy how can mindfulness be incorporated in ways that are brief simple to teach and effective how should therapists use clients values and hopes as guides for setting a course in therapy rather than focusing exclusively on medicalized diagnoses how does one tailor treatment for varying levels of severity of impairment in these pages readers will find answers to and insights on these questions and much more including perspectives on evolutionary psychology and newer process based models that put human suffering in a less medicalized and stigmatizing frame

this book is a detailed and close examination of the rave club drugs market as it took place in nightclubs dance parties pubs and bars and among friendship networks in london in the mid to late 1990s it focuses on the organizational features of drugs purchasing and selling and differentiates anonymous drugs trading in public nightclub settings from selling among extended networks of friends and others the stories of different people and friendship groups illustrate the varied drug selling roles and highlight the enterprise and entrepreneurship supporting their involvement told from the perspective of author s own membership in this night time leisure culture and embracing the disciplines of urban sociology and cultural criminology this book contributes to our knowledge of recreational drugs markets and night time leisure cultures it will be of interest to students and academics with interests in these fields as well as the many other people whose lives became a part of this vibrant leisure scene

what happens inside latin american prisons how does the social organisation of prisoners relate to the political structures beyond the walls is it possible to resist corrupt penal regimes

in prison writing of latin america joey whitfield turns to those best placed to answer these questions people who have been imprisoned themselves drawing on a century of material produced by latin american prisoners from mexico cuba costa rica colombia peru bolivia and brazil whitfield weaves readings of novels memoirs and testimonial texts with social and political analysis rather than distinguishing between dictatorial and democratic periods of government he shows that from the point of view of the prisoner all states are authoritarian in nature in the face of oppression however prisoners both political and criminal have found ways not only to resist but also to create alternative communities both real and imagined sometimes in collaboration with each other

they were tagged dumb and dumber by the us media in a story that made headlines and jokes around the world two australian boys on a working holiday in the snowfields of the american rocky mountains decided to rob a bank their plan was so hopelessly inept that although they escaped with over us 130 000 after threatening bank staff with a replica pistol the trail of clues they left ensured they were identified almost immediately among the many things they did wrong was to rob a bank where they were regular customers staff instantly recognised them and their impossible to disguise australian accents to tip a taxi driver 20 000 and then to photograph themselves holding up bundles of the stolen money all before attempting to buy one way tickets to mexico in cash from the moment the alarm was raised it took the vail police department all of eight minutes to identify the two boys as the culprits but what started as two young larrikins planning something stupid soon became deadly serious as both anthony prince and his partner luke carroll faced life imprisonment for armed robbery their youth previous good behaviour and obvious remorse persuaded the us court to give them a reduced sentence but they were still to serve almost five years in some of america s most violent penitentiaries

based on longitudinal ethnographic fieldwork in the antwerp club scene and repeated in depth interviews with 111 experienced cocaine users the overall theme of the book is the genesis and the development of informal control mechanisms social sanctions and rituals among these illegal drug users the belgian data are compared consistently to the findings of other comparable community studies in european and american cities amsterdam rotterdam barcelona turin san francisco toronto and in scotland and australia

based on social research conducted in different countries in europe the u s and australia this anthology is the first to provide detailed insights into small scale drug distribution a main focus is the phenomenon of social supply i e buying illicit drugs from friends which covers a substantial part of the retail market for cannabis users cultivating their own plants is another important source this volume deals with different social aspects of these non profit oriented forms of drug distribution as well as profit oriented small scale dealing while the illicit drug trade is commonly referred to as a world dominated by ruthless criminals this book draws a different picture

pocket essentials is a dynamic series of books that are concise lively and easy to read packed with facts as well as expert opinions each book has all the key information you need to know about such popular topics as film television cult fiction history and more freud was one of the giants of 20th century thought his ideas have been hugely influential not only in psychology but in all the social sciences and the arts this looks at freud s life from his birth in 1856 to his death in hampstead in 1939 each of freud s major works is summarized his central ideas are explored and controversies over his methods and practices are examined did he as some recent critics have alleged turn his back on evidence of genuine child abuse in 1890s vienna and prefer instead to ascribe it to fantasy and wish fulfilment what were the reasons behind his terrible quarrel with carl gustav jung does his talking cure of

psychoanalysis actually work

an anthology of 39 articles on the sociology of deviance particularly how people define deviant conditions and behaviors but more importantly how they action on those categories among the sections are the process of social typing the deviant in court getting into deviant groups and managing d
