in this volume experts on the spanish golden age from the united kingdom ireland and the united states offer analyses of contemporary works that have been influenced by the classics from the sixteenth and seventeenth centuries part of the formation of a sense of national identity always a problematic concept in spain is founded in the recognition and appreciation of what has come beforehand and no other era in the history of spanish literature and drama represents the talent and fascination that spaniards and non spaniards alike possess with the artistic legacy of this country in order to establish properly a context for the study of literature or history one cannot always study the works writers or era in isolation rather

performing scholarly studies on these topics as a continuation of what has come before reveals that many thoughts concepts character types criticisms and social issues have been thoroughly explored by our literary ancestors this era is referred to as the golden age not only because of the voluminous production of art literature drama and poetry but also because writers such as miguel de cervantes lope de vega and pedro calderón de la barca influenced by the re birth of the classical masters presented the reading and viewing public with genuine human emotions and experiences in a more comprehensive manner than in previous eras in the twentieth century spain faced a series of political crises the spanish civil war 1936 39 and the franco dictatorship 1939 75 followed by the transition and the concept of historical memory have provided contemporary spanish writers with the impetus and freedom to express their views a frequent source of inspiration has been the golden age that epoch of history that produced such political and religious upheaval and this book explores the manner in which contemporary spaniards have reached into the past to connect with their present world
