learn how to involve the diverse families of english language learners with the effective practical approaches in this book this must have

resource for teachers and school leaders is packed with fresh ideas geared toward building a partnership between school communities and all families the authors begin each chapter with realistic scenarios that commonly arise with all families they offer activities designed to assess current practices investigate family perceptions and expectations overcome challenges and improve communication the strategies in this book help you engage families at school and at home in innovative and successful ways organized with the busy educator in mind the book can be read straight through or section by section to best fit your specific needs as a bonus every chapter concludes with a wealth of useful resources on every topic as the demographics of America's schools continue to grow and change this book guides you to building a school community in which every family can thrive

disrupt the painful cycle of academic challenges and emotional distress when students struggle with learning it can be stressful for both them and their teachers struggling learners are more likely to experience low self esteem anxiety depression and behavioral issues challenges that combined with highly stressful learning experiences can tip students into a trauma response that makes learning even harder overcoming the school trauma cycle explores the science behind how learning occurs in the brain how it can be disrupted and most importantly how to overcome the painful cycle of academic challenges and emotional distress inside you'll find what the latest research tells us about how mental health issues can disrupt the learning process how academic and mental health challenges can fuel each other manageable whole class practices and targeted supports to meet struggling learners academic and emotional needs opportunities to self assess and reflect many schools have increased their focus on trauma informed teaching and social emotional learning but these approaches are too often pitted against academic rigor when they are really two sides of the same coin to improve outcomes for all students we must address their social emotional needs alongside their academic ones in overcoming the school trauma cycle you'll discover empowering practices to help all students learn and thrive

in perspectives on family ministry timothy paul jones makes the case that every church is called to some form of family ministry but what he means by family ministry isn't simply one more program to add to an already packed schedule according to jones the most effective family ministries involve refocusing every church process to engage parents in the process of discipling their children and to draw family members together instead of pulling them apart jones sets the stage with introductory chapters on the historical contexts and foundations of family ministry then three effective practitioners show clearly how your church can make the transition to family ministry paul renfro pastor of discipleship at grace family baptist church in spring texas writes in favor of family integrated ministry where the emphasis is on intergenerational discipleship brandon shields minister to high school students at highview baptist church a multi site megachurch in kentucky and indiana supports family based ministry ministry that organizes programs according to ages and interests but also develops intentional activities and training events to bring families together jay strother minister to emerging generations at

brentwood baptist church in tennessee prefers family equipping ministry maintaining age organized ministry while reorganizing the congregation to call parents to become active partners in the discipleship of their children

our friends enrich every part of our lives now you can make them matter the most despite modern technology and the ample ways we have to keep in touch we risk neglecting our relationships with the people who have the most profound effect on our well being our friends weaving together personal stories interviews with experts and social research friendship first empowers you to nurture relationships with friends both new and old journalist gyan yankovich reveals how friendships play a vital role in our happiness with insights on how to deepen workplace friendships outside the office invite friends into activities typically reserved for families use social media to strengthen connections maintain friendships through major life transitions an ode to group chats and chosen family friendship first invites you to care for and count on those who matter most

family policy offers concrete illustrative examples that bring the academic subject matter to life for students questions at the end of each chapter help students test their comprehension of the material deepen their understanding of the subject matter and spur classroom discussion book jacket

the fourth edition of working with families presents an innovative model for choosing specific intervention methods that meet the discriminate level of need of a particular family thomas p holland has been added as a second author to help update and maintain the most current text possible

if these questions have resonated in your heart hope for families is for you dan swaningson husband and father of three has put together an easy to read straightforward no holds barred message just for you a real person from another real person a father and husband who struggles to hold a family together while just trying to keep a roof over their heads just like you do drawing from the word of god his own experience and from lessons gleaned during his many years of ministering to children and families on the brink while learning to be a daddy and a husband himself dan also shares how he overcame his own tumultuous childhood with entertaining and challenging stories it is his prayer that this book will encourage you to be there and not give up

now in its second edition how s your family really doing draws from extensive new research to highlight ten essential keys that define successful families providing practical tools for families in any stage of the life cycle it is concise engaging and designed for working moms and dads who are often too busy to pore through lengthier works winner of the book of the year award foreword magazine and the

eric offer award how s your family really doing can help you to learn about healthy families and ways to bring out the best in one other identify family strengths and areas needing improvement facilitate conversations about desired changes strengthen your skills with dozens of tips and tools identify and overcome the effects of past influences as a society we have been inundated with how to books typically focused on symptoms that one or more family members are experiencing such as anxiety depression school problems out of control behaviors addictions etc but parents buying books about specific symptoms or challenges are often frustrated when trying new techniques without success that s because these books fail to include what else may be going on in the family that can create or maintain problem behaviors in contrast this guidebook provides the reader with a checklist of the most important underlying family factors that can add to efforts at change the book was conceptualized and written to be more than just a parenting book it can be used as a reference like an encyclopedia of family relationships that can be turned to at pivotal moments in the family life cycle the tips and tools can help family members regardless of whether the kids are still growing up or have left the nest equally appropriate for families with toddlers teens or grandparents evaluation and change in families is aided by the input of as many participants and generations as possible it can be used as a pre marital tool as preparation for the birth of a child at a time when a child is symptomatic and the family wants to know why at the blending of two new families or at a break up or a geographical move

book review
