the relative anonymity the internet provides allows us to assert our knowledge like a professor show off our seemingly perfect lives and judge like we re presiding over a court of law the problem with this relatively new phenomenon is that we often make snap judgments about other people s actions or statements without knowing all of the facts and without giving others the benefit of the doubt this volume dives deep into the realities of the internet age do we become different people when we re on the internet what

responsibility do we have in our treatment of others in this new society is it our place to be virtual judge and jury

a breathtaking adventure from the hottest names in us thriller writing perched like a black crow on a crag in the most hostile depths of the himalayas stands a monastery for a thousand years the monks have kept guard now their sanctum has been violated the secret carried off after a millennium of hiding from the world the guardians of the treasure will have to turn to an outsider for help luckily special agent aloysius pendergast is no stranger having trained body and mind in tibet he knows the land well but neither he nor his ward constance are prepared for the truth about what the monks have been protecting the pursuit of the stolen artefact takes pendergast and constance far from the snowy wastes to where the largest ever ocean liner is preparing for her maiden voyage as pendergast and constance board they know they are joined by a cargo of secrets and murderers as the ship slips into the night it becomes a deadly race to recover the secret of the monks or blackness to threaten to fall not just over the ship but the wider world a stunning dance of death and mystery the wheel of darkness takes the most unusual investigator around on his most thrilling mission yet

most people are about as aware of their surroundings as a sea cucumber the monster s crimes were so horrific that a mere man could not possibly have committed them satan in the end had to be invoked the mandalas were meant to be objects of contemplation aids to meditation their proportions magically balanced to purify and calm the mind to stare at a mandala was to experience if only briefly the nothingness that is at the heart of enlightenment what the hell was your pal bertin demanding he asked sipping syrup it s a cocktail he prefers when he gets ah overly excited a cocktail of sorts lemon lime soda vodka codeine in solution and a jolly rancher candy a what bertin prefers the watermelon flavored variety d agosta shook his head christ only in louisiana actually i understand the concoction originated in houston trying to fulfill earthly desires was like carrying water to the sea a never ending task and an ultimately useless one we live in a world gone crazy for resources everybody on google earth can look at this place now if you don t move to protect it it will disappear everything in the world is vulnerable
