this bilingual collection illustrates the concept of the warrior of the imaginary as defined by patrick chamoiseau in a multi faceted corpus of texts francophone contributions explore the role of the caribbean writer in works by chamoiseau Édouard glissant daniel maximin and joseph zobel essays in english focus not only on familiar writers dionne brand edwidge danticat wilson harris jamaica kincaid caryl phillips derek walcott but also on less widely studied voices robert antoni albert

helman other contributions deal with such fighting areas as afro brazilian music film and mutabaruka s militant poetry the whole testifies to a surprisingly coherent imaginary one that goes beyond the balkanization of the caribbean archipelago dans ce collectif bilingue le concept de guerrier de l imaginaire tel que défini par patrick chamoiseau est illustré par un corpus de textes variés plusieurs des articles en français engageant directement le cycle romanesque de l auteur martiniquais d autres étendent l interrogation de la fonction de l auteur caribéen à l écriture glissantienne maximinienne et zobélienne Études en anglais portent sur des écrivains dont le renom n est plus à faire dionne brand edwidge danticat wilson harris jamaica kincaid caryl phillips derek walcott mais donnent aussi la parole à des auteurs jusqu à présent moins étudiés robert antoni albert helman enfin quelques unes des contributions portent sur d autres terrains de lutte comme la musique afro brésilienne le cinéma ou la poésie militante de mutabaruka l ensemble témoigne d un imaginaire étonnamment confluant au delà de la balkanisation de l archipel caribéen

this book examines the trajectory of the historical knowledge about journalism produced by its scholars in brazil from the early accounts originating from the brazilian historical and geographic institute in the 19th century to the specialized academic field at the turn of the 21st century the history of journalism historiography shows that during the empire and the old republic the press was idealized as a means of education and a form of mirror of events after the new state there was a tendency to view it as an instrument for manipulating public opinion and a suspicious documentary source in the eyes of historians finally with the end of the military regime and with the emergence of the area of communication studies it came to be analyzed as an element of mediation of public debate and a space for sociability regarding this last phase daros argues that despite aspirations to subordinate journalism history to communication history the field still lacks more significant historiographical undertakings beyond print media this volume is aimed at scholars of journalism studies and media history the historiography of the press and journalism the history of historiography and brazilian historiography
