differentiated book it has a historical context with research of the time the middle ages is a historical periodization that traditionally refers to the middle ages and states that there was a demographic cultural and economic deterioration in western europe after the decline of the roman empire the term uses traditional images of light versus darkness to contrast the darkness lack of records of the era with earlier and later periods of light abundance of records the concept of a dark age originated in the 1330s with the italian scholar petrarca who considered the post roman centuries as dark compared to the light of classical antiquity the phrase dark age is derived from the latin saeculum obscurum originally applied by césar baronio in 1602 to a tumultuous period in the 10th and 11th centuries the concept came to characterize the entire middle ages as a time of intellectual darkness between the fall of rome and the renaissance this became especially popular during the age of enlightenment of the 18th century as the achievements of the era were better understood in the nineteenth and twentieth centuries academics began to restrict the denomination of the middle ages to the high middle ages c 5th 10th century and now academics also they reject its use in this period

this is a classic work of archaeology by one of the premier figures in the field first published in 1971 a m snodgrass the dark age if greece is the most comprehensive and coherent account available of this period of ancient greece

this work provides a close look into how archivists and librarians worked to archive internet content

how medieval inspired racial feudalism reigned in early america and was challenged by black liberal thinkers though the united states has been heralded as a beacon of democracy many nineteenth century americans viewed their nation through the prism of the old world what they saw was a racially stratified country that reflected not the ideals of a modern republic but rather the remnants of feudalism american dark age reveals how defenders of racial hierarchy embraced america s resemblance to medieval europe and tells the stories of the abolitionists who exposed it as a glaring blemish on the national conscience against those seeking to maintain what frederick douglass called an aristocracy of the skin keidrick roy shows how a group of black thinkers including frances ellen watkins harper hosea easton and harriet jacobs challenged the medievalism in their midst and transformed the nation s founding liberal tradition he demonstrates how they drew on spiritual insight enlightenment thought and a homegrown political philosophy that gave expression to their experiences at the bottom of the american social order roy sheds new light on how black abolitionist writers and activists worked to eradicate the pernicious ideology of racial feudalism from american liberalism and renew the country s commitment to values such as individual liberty social progress and egalitarianism american dark age reveals how the antebellum black liberal tradition holds vital lessons for us today as hate groups continue to align themselves with fantasies of a medieval past and openly call for a return of all powerful monarchs aristocrats and nobles who rule by virtue of their race

visionary thinker jane jacobs uses her authoritative work on urban life and economies to show us how we can protect and strengthen our culture and communities in dark age ahead jane jacobs identifies five pillars of our culture that we depend on but which are in serious decline community and family higher education the effective practice of science taxation and government and self policing by learned professions the decay of these pillars jacobs contends is behind such ills as environmental crisis racism and the growing gulf between rich and poor their continued degradation could lead us into a new dark age a period of cultural collapse in which all that keeps a society alive and vibrant is forgotten but this is a hopeful book as well as a warning jacobs draws on her vast frame of reference from fifteenth century chinese shipbuilding to zoning regulations in brampton ontario and in highly readable invigorating prose offers proposals that could arrest the cycles of decay and turn them into beneficent ones wise worldly full of real life examples and accessible concepts this book is an essential read for perilous times from the hardcover edition

reprint of the original first published in 1845 the antigonos publishing house specialises in the publication of reprints of historical books we make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

this scarce antiquarian book is a facsimile reprint of the original due to its age it may contain imperfections such as marks notations marginalia and flawed pages because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public to ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

the dark ages is an excellent introduction to the events of the dark ages on the continent in southern and western europe covering the aftermath of the fall of the roman empire in the west and the progress of its successor states oman traces the rise of europe from the ashes of the greco roman world
