gentleness is an enigma taken up in a double movement of welcoming and giving it appears on the threshold of passages signed off by birth and death because it has its

degrees of intensity because it is a symbolic force and because it has a transformative ability over things and beings it is a power the simplicity of gentleness is misleading it is an active passivity that may become an extraordinary force of symbolic resistance and as such become central to both ethics and politics gentleness is a force of secret life giving transformation linked to what the ancients called potentiality in our day gentleness is sold to us under its related form of diluted mawkishness by infantilizing it our era denies it this is how we try to overcome the high demands of its subtlety no longer by fighting it but by enfeebling it language itself is therefore perverted what our society intends to give the human beings that it crushes gently it does in the name of the highest values happiness truth security from listening to those who come to me and confide their despair i have heard it expressed in every lived experience i have felt its force of resistance and its intangible magic in mediating its relation to the world it appears that its intelligence carries life saves and amplifies it
