the legendary lost novel in which fourteen year old preston wildey king must choose between his all consuming passion for pepsi cola and his love for schoolmate peggy he walked into the turbulent super market there were people everywhere his eyes swept over the shelves and stabilised on a large stack of pepsi colas he could almost experience the cool fizzy liquid descending his parched throat written by june alison gibbons when she was only 16

the pepsi cola addict is considered one of the great works of twentieth century outsider literature more than just a literary curiosity however this tale of a teenager whose passion for a well known cola drink threatens to ruin his life is the uniquely vivid expression of a young woman trying to make sense of the confusing often brutal world she in which found herself published in 1982 by a vanity press who took 800 from its young author and gave her only a single book in return it s thought that fewer than ten original copies still exist in the world shortly after its publication june alison and her sister jennifer would become infamous as the silent twins and find themselves cruelly incarcerated for over a decade in broadmoor hospital this author approved edition makes june alison gibbon s remarkable vision widely available for the first time

the astounding true story behind the major new motion picture starring letitia wright and tamara lawrance with a new epilogue from the author a compelling and tragic story mail on sunday when identical twins june and jennifer gibbons were three they began to reject communication with anyone but each other and so began a childhood bound together in a strange and secret world as they grew up love and hate united to push them to the extreme margins of society and following a five week spree of vandalism and arson the silent twins were sentenced to a gruelling twelve year detention in broadmoor award winning investigative journalist marjorie wallace delves into the twins silent world revealing their genius alienation and the mystic bond by which the extremes of good and evil ended in possession and death breathtaking independent extraordinary oliver sacks new york times review of books

in post everything luke haines demonstrates that the only way to survive the tyrannical scourge of britpop is to become an outsider the avant garde arthur scargill calls upon the nation s pop stars to down tools and go on strike we learn the story of haines post britpop art house trio black box recorder chas and dave with a chanteuse we meet a talking cat two dead rappers notorious b i g and tupac shakur and a mystical england football manager haines

even finds time to write a musical for the national theatre blisteringly funny and searingly scathing post everything may quite possibly be the first and only truly surreal comic rock memoir it even contains a killer recipe for scrambled eggs

we live in a world of stories yet few of us pause to ask what stories actually are why we consume them so avidly and what they do for story makers and their audiences this book focuses on the experiences that good stories generate feelings of purposeful involvement elevation temporary loss of self vicarious emotion and relief of tension the author examines what drives writers to create stories and why readers fall under their spell why some children grow up to be writers and how the capacity for creating and comprehending stories develops from infancy right through into old age entranced by story applies recent research on brain function to literary examples ranging from the iliad and wuthering heights to harold and the purple crayon providing a groundbreaking exploration of the biological and neurological basis of the literary experience blending research theory and biographical anecdote the author shows how it is the unique structure of the human brain with its layering of sophisticated cognitive capacities upon archaic emotion driven functions which best explains the mystery of story

a young woman discovers that dancers at a local discotheque are being driven to acts of insane violence the place was full of swarming pugnacious dangerous missellneous reptile s teenager s everywhere pounded their way on top of each other crazily strangling biting and slashing each other s with broken glass smashed records or sharpened blades 16 year old jennifer gibbons 1963 1993 wrote discomania in 1980 alongside her twin sister june alison who was also writing her own novel the pepsi cola addict in the bedroom that they shared jennifer offered discomania to the same english vanity press who would publish june alison s book but discomania was turned down for being too violent too sexual and too futuristic long thought to have been lost or destroyed june alison had in fact preserved the
