bruner has been both thorough and fair and has written a book that combines scholarly research with constructive commentary on the life and mission of the contemporary church

be holy as i am holy says the lord it s the most extravagant and audacious invitation ever sent or in the words of jesus be perfect as your heavenly father is perfect but can that really happen is holiness an achievable goal for sinful human beings that s the ultimate focus of this thoughtful thorough and engaging study of what it means to be holy drawing on the bible and christian thinkers through the ages simon ponsonby affirms that because of god s gracious love and desire for communion with us he has done what is possible for us not only to pursue holiness but to achieve it while we can never count on attaining moral perfection in this life we need not settle for less than increasing victory over sin and as more and more christians choose to partner with god in the ongoing process of sanctification we set the stage for revival

this classic of christian testimony and devotion explores the attributes of god in words that fly straight to the heart a superb aid to strengthening and deepening the spiritual life each chapter begins with a prayer lucidly discusses a divine aspect from god s infinity to god s love and relates that aspect to today s world while pointing always to god s wonder and inscrutability a w tozer asserts that the cause of many of our modern spiritual woes is the loss in today s church of a lofty concept of god he argues persuasively that the cure lies in our rediscovery of god s majesty true religion confronts earth with heaven and brings eternity to bear upon time says the author in his preface the messenger of christ though he speaks from god must also as the quakers used to say speak to the condition of his hearers otherwise he will speak a language known only to himself his message must be not only timeless but timely he must speak to his own generation the message of this book is indeed both timeless and timely tozer is primarily concerned with the loss of the concept of majesty from the popular mind and more importantly in the thinking of the church he sees the church as having surrendered her once lofty concept of god not deliberately but little by little and without her knowledge with this comes a further loss of religious awe and a sense of the divine presence of an appropriate spirit of worship and of our ability to withdraw inwardly to meet god in adoring silence tozer attempts to address this problem to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy it is impossible to keep our moral practices sound and our inward attitudes right while our idea of god is erroneous or inadequate he tells us

it saddens my heart that so many believers have no knowledge of the holy spirit because he is the

most ignored person in the world yet he was very instrumental in the lives and ministry of the early church this is why the body of christ has been operating powerless this has really inspired me to write about the person of the holy spirit

have you received the holy ghost since you believed is a book written to challenge the spirituality of every believer for not everyone that says i believe is a true believer this book will take you to another step in your spiritual walk and cause you to examine the scriptures in greater depth with clearer insight this topic has brought much debate in church circles and though it is not an issue that should cause division it has given way to factions even in the smallest of congregations you will be introduced to a man who believed but may not have received the holy ghost i also speak of the baptism of john the baptism of jesus and the baptism by the holy spirit some christians are still in doubt about the baptism by the holy spirit as taught in 1st corinthians 12 13 topics in this book include signs of the baptism role of the comforter is it possible to believe and not receive the waiting period as many as believe he gave power and more i also give my testimony how the lord saved me and my family from destruction it will surely break your heart this book is a must read thank you for reading about the book
