originally published in 1981 control and power in central local government relationships rapidly established itself as a classic in the study of local government its power dependence model of central local government relations underpinned the vast growth in the study of policy networks in british government this reprint adds four chapters to the original book including two specially written a preface commenting on each chapter and an essay on where we are now in the study of networks

throughout our years of teaching administration running small businesses and consulting in the fields of social science and organizational behavior we have become increasingly aware of the need for a textbook that is down to earth experience based and grounded in sound research and theory we believe strongly in the importance of understanding the relationship between self awareness and human relations and by extension the relationship between human relations skills and ongoing career success we encourage building self awareness growth and success skills inside the context of the real world what realistic strategies and techniques can we teach our students to encourage their growth in human relations success on and off the job site how can students tap into the power that comes from working well in one on one situations in groups and in organizations large and small

osgood focuses on major campaigns such as atoms for peace people to people and cultural exchange programs drawing on recently declassified documents that record u s psychological operations in some three dozen countries he tells how u s

propaganda agencies presented everyday life in america to the world its citizens living full happy lives in a classless society where economic bounty was shared by all osgood further investigates the ways in which superpower disarmament negotiations were used as propaganda maneuvers in the battle for international public opinion he also reexamines the early years of the space race focusing especially on the challenge to american propagandists posed by the soviet launch of sputnik

on the surface the new president seems to inherit an empty house hugh hector a recognized expert on american democratic institutions has noted in fact he enters an office already shaped and crowded by other people s desires empowering the white house examines how richard nixon entered that crowded oval office in 1969 yet managed to change it in a way that augmented the power of the presidency and continues to influence into the twenty first century how his successors have governed nixon s white house is perhaps best remembered for the growth in the size of the staff which operated under the supposed iron fist of h r haldeman but more important than size and management style to the character of the nixon white house were the assigned tasks complexity and dynamics of the burgeoning staff faced with hostile majorities in congress and executive branch careerists assumed to be committed to a democratic agenda nixon sought to control his political fate by engaging more actively than earlier presidents in public relations and the mobilization of support at the command and under the control of the oval office the staff carried out assignments designed to fulfill nixon s aims this theoretically informed and well researched study explains how nixon changed and expanded the institutionalized presidency and how that affected the ford and carter administrations nixon ushered in a new stage in the modern presidency by organizing and using his increasingly complex staff in new ways that have persisted beyond the 1970s to this day to a greater degree than any predecessor nixon systematized outreach legal advice and policy formulation his white house staffing then has come to be regarded as a standard model that influences incoming presidents regardless of party affiliation leavening this organizational study are revealing accounts of how the nixon ford and carter staffs operated behind the scenes in the west wing anyone needing to know how the white house worked during those presidencies or how it has worked since will find this book invaluable

the impact of public relations in today s environment how to implement an effective public relations campaign in the market
