doit on considérer la négritude comme un mouvement ancré dans la fin de la période coloniale et sur lequel il n'y a plus lieu de revenir c'est une des questions que le colloque qui s'est tenu à l'université des West Indies à la Barbade en l'honneur du centenaire

de la naissance de senghor s efforce d explorer lylian kesteloot nous rappelle encore récemment dans son étude césaire et senghor un pont sur l atlantique l importance de ce mouvement qui entre les années trente et soixante a participé à la naissance de la littérature africaine la question du particularisme que le mot négritude implique et de son opposé l universel sera largement débattue dans les pages de cet ouvrage les articles de cet essai discutent les défauts essentialistes de la négritude senghorienne mais également le fait que dans les termes de senghor la négritude est un mythe donc une construction identitaire l expression d une invention il envisageait par exemple l avènement d un socialisme africain dans une interprétation unique du marxisme en tant que mouvement poétique philosophique littéraire ou en tant que réponse idéologique à une oppression les auteurs africains et antillais étudiés ici et qui traitent de thèmes très contemporains démontrent la vivacité d une négritude toujours d actualité dans sa présentation des cultures il faut bien entendu dépasser la notion raciale contenue dans le terme et insister sur le culturel le philosophique et l esthétique pour accepter que la négritude ait une pertinence actuelle notamment nous verrons que la négritude s est métamorphosée aux antilles où au brésil en d originaux projets idéologiques et esthétiques should negritude be seen as a movement that originated at the end of the colonial era and merits no further study in this contemporary world this is one of the questions explored in the colloquium held at the university of the west indies barbados to mark the centenary of the birth of léopold sedar senghor in a recent study césaire et senghor un pont sur l atlantique lylian kesteloot reminds her readers of the importance of negritude which contributed to the emergence of african literature between 1930 and 1960 the idea of essentialism which the word negritude implies as well as the opposite idea of universalism will be widely discussed in the pages of this work this collection of essays acknowledges the essential shortcomings of senghor s negritude but at the same time underlines the fact that in senghor s words negritude is a myth and therefore has to do with the construction of an identity and is the expression of an imaginary creation it envisaged for example the creation of an african form of socialism within a unique interpretation of marxism in this volume african and caribbean writers who are concerned with contemporary issues demonstrate the vitality of negritude as a poetic philosophical and literary movement and as an ideological response to oppression that is still relevant in its presentation of cultures clearly it is necessary to go beyond the notion of race implied in the term and to focus on the cultural philosophical and aesthetic elements in order to appreciate the relevance of negritude today most notably in the caribbean or brazil negritude has been transformed into original ideological and aesthetic projects

avec lacan nous avons découvert que toute écriture est féminine celui qui en est l'auteur poète mystique ou psychanalyste se féminise dans cet acte d'écrire socrate s'efface devant celle qui est savante quant aux choses de l'amour diotime la femme qui est en lui certes elle parle mais elle peut aussi écrire et que nous révèle-t-elle elle affirme que le secret de l'amour de cette science de l'amour qu'a tenté d'élaborer freud n'est en dernier ressort que le désir d'enfanter un enfantement dans la beauté selon le corps et selon l'âme
