in renaissance and early modern europe various constellations of phenomena ranging from sex scandals to legal debates to flurries of satirical prints collectively demonstrate at different times and places an increased concern with cuckoldry impotence and adultery this concern emerges in unusual events such as scatological rituals of house scorning appears in neglected sources such as drawings by swiss mercenary soldier artists and engages innovative areas of inquiry such as the intersection between medical theory and renaissance comedy interdisciplinary analytical tools are here deployed to scrutinize court scandals and decipher archival documents household recipes popular literary works and a variety of visual media are examined in the light of contemporary sexual culture and contextualized with reference to current social and political issues the essays in this volume reveal the central importance of sexuality and sexual metaphor for our understanding of european history politics and culture and emphasize the extent to which erotic presuppositions underpinned the early modern world

there s only one way a cuckold should start the new year thomas and lea are going to their bull s house together for the first time ever where the ultimate nye party is about to begin six guys one wife one devoted cuckold overflowing pleasure this is a cuckold tale a series following couples exploring the open wild side of their relationships often with a little more humiliation and submission thrown in it features explicit sexual scenes and is intended for adults only

the deceived husband is an ambitious and original study of the representation in european literature of adultery focusing in particular on the figure of the husband drawing on psychoanalysis and primarily the work of melanie klein dr sinclair argues that the differing representations of the deceived husband evidence anxieties within patriarchal society about gender and power and ultimately about death and the unknown detailed discussions of a wide range of texts including the canterbury tales the decameron othello madame bovary effi briest anna karenina la regenta and flaubert s parrot reveal that fundamental anxieties about masculinity are repeatedly articulated in two main characterizations of the deceived husband the cuckold and the man of honour these are representations which can be usefully understood the book shows with reference to the two early developmental positions forwarded by klein the paranoid schizoid and the depressive positions innovative and challenging the deceived husband is an important examination of a previously neglected aspect of european literature and a significant addition to psychoanalytic literary criticism in general
