through the words of its veterans details the regimental history of the 82nd airborne division all americans from operation husky in july of 1943 through d day and operation market garden to the battle of the bulge and finally ending in berlin as part of the occupying forces

formed as a division in august 1942 america s paratroopers first saw action in the invasion of sicily in 1943 they gained undying fame with their drop into normandy on the eve of d day later actions included market garden the battle of the bulge and the final allied advance into germany where the 82nd was chosen to occupy especially important positions each spearhead title includes an evaluation of the units combat effectiveness as seen by the unit its opponents and subsequent researchers and a research section including a bibliography and a listing of museums websites re enactment groups and memorials

in the 82nd airborne division is the most comprehensive collection of combat narratives after action reports documents maps and photographs detailing the saga of one of the most famous units in the second world war these original documents are now published for the first time since they were created sixty years ago the division comes alive as individuals and units of the 82nd tell their own stories maps illustrate day by day movements of the various regiments during campaigns appendices list commander casualties and captured equipment special photographic essays show helmet markings and ephemera from designation as the u s army s first airborne division in 1942 through the campaigns in sicily italy anzio normandy holland belgium and germany all the way to the occupation of berlin and the victory parade in new york this is the story of the 82nd airborne division the all american in world war ii a great reference for anyone interested in the 82nd airborne division in world war ii and a fitting tribute to those who served in its ranks 400 colour b w photos

through the words of its veterans details the regimental history of the 82nd airborne division all americans from operation husky in july of 1943 through d day and operation market garden to the battle of the bulge and finally ending in berlin as part of the occupying forces

captain robert mcgovern epitomizes all that is right and good in america one of nine children growing up in a new jersey family he made local headlines as a high school football phenom before becoming a star linebacker for the kansas city chiefs the pittsburgh steelers and the new england patriots when his illustrious nfl career was over he earned a law degree from fordham university and went to work for the new york city district attorney s office from that vantage point he witnessed close up the fall of the twin towers on that world altering morning in september 2001 an event that inspired him to leave public life and join the u s army to better serve the country he loves as a military prosecuting attorney captain mcgovern has advised battlefield commanders on legal rules of engagement in afghanistan and has prosecuted suspected terrorists in iraq a dedicated soldier and a man of faith who has been on the front lines of the war on terror both at home and in the middle east captain robert mcgovern is an extraordinary american with a remarkable and important story to tell one that every american needs to hear

in green light martin wolfe gives us the big picture of world war ii airborne warfare in europe through the lens of one unit a squadron typical of some sixty others troop carrier squadrons delivered paratroopers behind enemy lines tugged gliders into battle zones and between combat operations freighted up to the front everything from food to artillery shells and carried back wounded infantrymen and newly freed slave laborers wolfe s firsthand account is an engaging and informative narrative that goes beyond the facts to investigate the feelings of the tightly knit unit he also describes the management and training techniques that prepared the squadron for its role in four of the five main invasions of nazi europe in all the literature about world war ii this is the first account to show how all levels of a squadron functioned clerks as well as pilots maintenance mechanics as well as flying crew chiefs the mess hall as well as headquarters in addition wolfe s is the first book to show the interplay between unit experience and high command theory what

units like the 81st troop carrier squadron could actually accomplish and how concepts of airborne warfare changed at supreme headquarters he explains why and how it was not until the last airborne invasion in march 1945 that the full potential of the troop carrier was reached wolfe melds the recollections of ninety veterans of this squadron with a general history of allied airborne forces in world war ii through their words green light paints vivid portraits of the real men of the war not the rambos or sad sacks of popular culture and through the retelling of their experiences the book shows that the truism war is hell does not hold for all soldiers all the time

this is the first study to analyze the content training and performance of a world war i draft division from its formation onward the 82nd division consisted heavily of non english speaking european immigrants and conscripts fresh from farming towns in tennessee and north carolina despite these apparent obstacles it would evolve into an effective combat unit on the front lines of st mihiel and the meuse argonne these all americans would prove that they could fight and accomplish several difficult missions in the great war from its birth at camp gordon georgia to the battlefields of the western front the 82nd division became a highly successful combat unit through good leadership and hard work after initial training in france by both british and french forces the 82nd entered the trenches to face the germans given a difficult mission during the st mihiel offensive the diverse division performed well and during the meuse argonne battle it achieved its objectives despite heavy casualties despite an early lack of preparation this force would be a true american success story

unit history of the 314th troop carrier group u s army air forces 1942 45 european theater of operations

in world war ii the 81st troop carrier squadron dropped paratroopers onto the battlefield often in the face of heavy fire this book relates the exploits of the 81st which mirrored the combat experience of world war ii troop carrier units

this is the second volume but the last to be published of a trilogy the other volumes being smashing the atlantic wall and the battle of the bulge monty s rhine adventure begins immediately after the normandy invasion with the euphoria surrounding the belief that the war would soon be won however it was not to be as easy monty hoped the book covers the difficult next few months as the allies slogged through france and belgium fighting stern and skilled nazi resistance however the centrepiece of monty s rhine adventure is operation market garden monty s bold plan to cut through the german defences via the eight bridges which spanned the dutch german border the book deals with the plan its execution and its aftermath in rigorous detail had market garden gone to plan it might have led to the overall defeat of the third reich before the end of 1944 as it was it was the russians that entered berlin first in may 1945 nonetheless this period remains one of the boldest and most exciting of the second world war

from army rangers to green berets to the u s navy seal team that killed osama bin laden this book explains what makes special forces special covering the rich and varied history of elite formations in american

military history and describing their recruitment intense training and equipment in depth most civilians have only a vague idea of what the u s special forces are all about who they are how they differ from our normal military forces what they ve accomplished throughout our history and how they operate today fighting elites a history of u s special forces examines the rich and varied history of u s special forces identifies their contributions to specific conflicts from colonial times forward and highlights their present operational excellence in this first ever reference guide to u s special forces military historian john c fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins recruitment training tactics and equipment and defining military engagements if known the text also contains 20 biographical entries of noted personalities associated with special purpose activities

containing close to every photograph ever taken of the 82nd anyone with the slightest interest in the airborne will want to own this handsome volume wwii history magazine on the night of july 9 10 1943 the all americans of the 82nd airborne division jumped into history as they made their first parachute assault of world war ii three others would follow salerno normandy and holland in total the division served more than three hundred days in combat a record unmatched by any other american division with nearly four hundred historic photographs many never before published the all americans in world war ii provides a complete photographic history of the 82nd airborne division as it fought its way across sicily italy france belgium and germany ultimately all the way to berlin as part of the american occupation forces this book is an essential addition to any serious world war ii collection and a tribute to the fighting spirit of this legendary division nordyke has assembled a fresh look at the all americans that any u s wwii enthusiast should consider to be a high priority purchase military trader a must own if you are interested in us airborne operations in europe great photos great maps and great narrative military history online

this volume with exhaustive on site research details america s last major offensive of world war i the battle of the meuse argonne which took place from september 26 through november 11 1918 it examines the movements and countermovements that comprised the still unequaled conflict of the argonne forest the main focus of the work is the five day isolation and besiegement of the so called lost battalion from october 2 to 5 major charles whittlesey and 554 men were cut off from all other u s units and attacked by german forces in an area known as the pocket written with a view toward bringing this legendary tale to a more personal level the work creates a vivid picture of the men who lived fought and died in the final all consuming battle of world war i

on the 82nd airborne division in world war 2

in july 1918 sensing that the german army had lost crucial momentum supreme allied commander ferdinand foch saw an opportunity to end the first world war in drafting his plans for a final grand offensive he assigned the most difficult sector the dense argonne forest and the vast meuse river valley to the

american expeditionary forces under general john j pershing there the doughboys faced thickly defended german lines with terrain deemed impossible to fight through from september 26 through the november 11 armistice us forces suffered more than 20 000 casualties a week but the allies ultimately prevailed in a decisive victory that helped to end the great war in thunder in the argonne douglas v mastriano offers the most comprehensive account of this legendary campaign to date not only does he provide american french and british perspectives on the offensive but he also offers for the first time in english the german view mastriano presents a balanced analysis of successes and failures at all levels of command examining the leadership of the principals while also illuminating acts of heroism by individual soldiers the meuse argonne offensive is widely regarded as one of america s finest hours and the amazing feats of sergeant alvin york major charles whittlesey of the lost battalion and lieutenant sam woodfill all accomplished in the midst of this maelstrom echo across the ages published to coincide with the centennial of the campaign this engaging book offers a fresh look at the battle that forged the modern us army

this new book tells the complete story of the famous 82nd airborne division from its formation in 1917 through its legendary world war ii campaigns sicily normandy and holland vietnam grenada nicaragua operation desert storm to the present and examines the many changes from a world war i infantry division to the rapid deployment organization it is today the 82nd helped develop the concepts of airborne warfare during world war ii after the war the 82nd continued to develop airborne techniques and trained to provide the united states with a strategic deployment force since world war ii the division has been called upon to assist in domestic and foreign disturbances since world war i the division has gone through many changes but it still bears its world war i nickname the all american
