winner afcems prize 2024 highlights human encounters with the forest and its trees at the time of the european middle ages when their lofty boughs were weighted with meaning forests with their interlacing networks of trees and secret patterns of communication are powerful entities for thinking with a majestic terrestrial community of arboreal others their presence echoes entangles and resonates deeply with the human world the chapters interrogate the pre anthropocene environment reflecting on trees as metaphors for kinship and knowledge as they appear in literary historical art historical and philosophical sources they examine images of trees and trees in themselves across a range of environmental material and intellectual contexts and consider how humans used arboreal and rhizomatic forms to negotiate bodies of knowledge and processes of transition looking beyond medieval europe they include discussion of parallel developments in the islamic world and that of the māori the indigenous people of new zealand

honor 2016 mildred I batchelder honor book winner 2016 sydney taylor book award association of jewish libraries finalist 2016 national jewish book awards adam and thomas is the story of two nine year old jewish boys who survive world war ii by banding

together in the forest they are alone visited only furtively every few days by mina a mercurial girl who herself has found refuge from the war by living with a peasant family she makes secret journeys and brings the boys parcels of food at her own risk adam and thomas must learn to survive and do they forage and build a small tree house although it s more like a bird s nest adam s family dog miro manages to find his way to him to the joy of both boys miro brings the warmth of home with him echoes of the war are felt in the forest the boys meet fugitives fleeing for their lives and try to help them they learn to disappear in moments of danger and they barely survive winter s harshest weather but when things seem to be at their worst a miracle happens

since the bible appears so frequently in dylan thomas work some critics have decided that he must be a religious poet others noting blasphemous statements and certain irreligious aspects of thomas personal life contend that he was no such thing rushworth m kiddler investigating this problem looks below the surface of the obviously religious imagery and discovers a more profound poetry the first part of this book discusses the nature of religious poetry and the application of that term to thomas work it then develops the necessary background based on his letters and prose comments to provide a foundation for the study and finally it examines the relationship between the religious aspects of his poetry and his well known ambiguity the author re defines the vocabulary for dealing with religious imagery by establishing three distinct categories of imagery referential allusive and thematic this original technique is used to examine critically thomas poems to show the development of his religious and poetic thought there are numerous close sensitive readings of individual poems to show how his poetry like the bible teaches by parable speaking deliberate ambiguity rather than simple dogma this strategy inspired poetry that is technically complex but thematically simple a mode of verse that became more explicitly religious in the poet s final years originally published in 1973 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of

books published by princeton university press since its founding in 1905

under the greenwood tree a rural painting of the dutch school is a novel by the english writer thomas hardy published anonymously in 1872 the plot concerns the activities of a group of church musicians the mellstock parish choir one of whom dick dewy becomes romantically entangled with a comely new school mistress fancy day the novel opens with the fiddlers and singers of the choir including dick his father reuben dewy and grandfather william dewy making the rounds in mellstock village on christmas eve when little band plays at the schoolhouse young dick falls for fancy at first sight dick smitten seeks to insinuate himself into her life and affections but fancy s beauty has gained her other suitors including a rich farmer and the new vicar at the parish church

a genealogy and a history of the ancestors and descendants of amos thomas born 10 jan 1832 of amboy indiana he married 1 24 feb 1858 anna beeson 1836 1858 and 2 22 feb 1860 nancy newby 1830 1908

hedrick contends that parables do not teach moral and religious lessons they are not in whole or part theological figures for the church rather parables are realistic narrative fictions that like all effective fiction literature are designed to draw readers into story worlds where they make discoveries about themselves by finding their ideas challenged and subverted or affirmed the parables have endings but not final resolutions because the endings raise new complications for careful readers which require further resolution the narrative contexts and interpretations supplied by the evangelists constitute an attempt by the early church to bring the secular narratives of jesus under the control of the church s later religious perspectives each narrative represents a fragment of jesus s secular vision of reality finding himself outside the mainstream of parables scholarship both ecclesiastical and critical hedrick explored a literary approach to the parables in a series of essays that among other things set out the basic rationale for a literary approach to the parables of jesus these early essays form the central section of the book they are published here in edited form along with unpublished critiques of a thoroughgoing literary approach and his response

reprint of the original first published in 1875

something snapped he let the arrow fly the night thomas rhymer s young sister is stolen away by shadows and smoke he discovers there s more to life than the fields and forests he knows so well if he has any hope of rescuing alissa he must first cross into a realm where magic is lifeblood and where shadows dance with dragonfire with the help of the seelie faery thistledown thomas embarks on a treacherous quest deep into the heart of war raved albion but getting his sister back means pledging aid to mab the usurped queen of the old ways against the tyranny of the dark prince yet danger and deceit lie around every corner and some secrets are better left untold
