oedipus king of thebes translated into english rhyming verse with explanatory notes by gilbert murray preface if i have turned aside from euripides for a moment and attempted a translation of the great stage masterpiece of sophocles my excuse must be the fascination of this play which has thrown its spell on me as on many other translators yet i may plead also that as a rule every diligent student of these great works can add something to the discoveries of his predecessors and i think i have been able to bring out a few new points in the old and much studied oedipus chiefly points connected with the dramatic technique and the religious atmosphere we are delighted to publish this classic book as part of our extensive classic library collection many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public the aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades the contents of the vast majority of titles in the classic library have been scanned from the original works to ensure a high quality product each title has been meticulously hand curated by our staff our philosophy has been guided by a

desire to provide the reader with a book that is as close as possible to ownership of the original work we hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

oedipus king of thebes sends his brother in law creon to ask advice of the oracle at delphi concerning a plague ravaging thebes creon returns to report that the plague is the result of religious pollution since the murderer of their former king laius has never been caught oedipus vows to find the murderer and curses him for causing the plague oedipus summons the blind prophet tiresias for help when tiresias arrives he claims to know the answers to oedipus s questions but refuses to speak instead telling him to abandon his search oedipus is enraged by tiresias refusal and verbally accuses him of complicity in laius murder outraged tiresias tells the king that oedipus himself is the murderer you yourself are the criminal you seek oedipus cannot see how this could be and concludes that the prophet must have been paid off by creon in an attempt to undermine him the two argue vehemently as oedipus mocks tiresias lack of sight and tiresias in turn tells oedipus that he himself is blind eventually tiresias leaves muttering darkly that when the murderer is discovered he shall be a native citizen of thebes brother and father to his own children and son and husband to his own mother

oedipus was a mythical greek king of thebes a tragic hero in greek mythology oedipus accidentally fulfilled a prophecy that he would end up killing his father and marrying his mother thereby bringing disaster to his city and family the story of oedipus is the subject of sophocles tragedy oedipus rex which is followed in the narrative sequence by oedipus at colonus and then antigone together these plays make up sophocles three theban plays oedipus represents two enduring themes of

greek myth and drama the flawed nature of humanity and an individual s role in the course of destiny in a harsh universe in the best known version of the myth oedipus was born to king laius and queen jocasta laius wished to thwart the prophecy so he sent a shepherd servant to leave oedipus to die on a mountainside however the shepherd took pity on the baby and passed him to another shepherd who gave oedipus to king polybus and queen merope to raise as their own oedipus learned from the oracle at delphi of the prophecy that he would end up killing his father and marrying his mother but unaware of his true parentage believed he was fated to murder polybus and marry merope so left for thebes on his way he met an older man and killed him in a quarrel continuing on to thebes he found that the king of the city laius had been recently killed and that the city was at the mercy of the sphinx oedipus answered the monster s riddle correctly defeating it and winning the throne of the dead king and the hand in marriage of the king s widow who was also unbeknownst to him his mother jocasta years later to end a plague on thebes oedipus searched to find who had killed laius and discovered that he himself was responsible jocasta upon realizing that she had married her own son hanged herself oedipus then seized two pins from her dress and blinded himself with them the legend of oedipus has been retold in many versions and was used by sigmund freud to name and give mythic precedent to the oedipus complex
