ancestors as fact and through decades of meticulous research showed that they revealed a coherent narrative about the true origins of humanity and civilization drawing both widespread interest and criticism his earth chronicles series of books beginning with the 12th planet detailed how humanity arose after the arrival of the anunnaki those who from heaven to earth came alien gods who created modern man in their own image and imparted gifts of civilizing knowledge providing an insider's look into the decades of research behind zecharia sitchin's complete works as well as an in depth overview of his theories this collection includes carefully selected chapters from the earth chronicles series as well as never before published letters articles and lectures we learn about the genesis of the 12th planet in the book as a story the sumerians and their anunnaki influences in the sudden civilization the orbit of nibiru in ufos pyramids and the 12th planet the prehistory of the americas in cities lost and found the extraterrestrial origins of modern man in the cosmic connection dna and much more we get to read never before published lectures culled from sitchin's decades of presentations as well as the article that spurred the writing of there were giants upon the earth each piece includes an introduction by sitchin's niece offering context and insight into sitchin's passionate work these introductions reveal the man behind the theories a world traveler known for his scholarship dry humor and precisely chosen words if his theories are true as sitchin wholeheartedly believed then this collection presents some of the most important knowledge we have of our origins and future

examines the anunnaki gods evolving relationships with humanity their power struggles and the details of their nuclear war on earth analyzes the crisis and rationale behind the anunnaki decision to nuke 5 cities in the jordan plain resulting in the obliteration of sumerian civilization draws upon the work of zecharia sitchin the book of genesis sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons examines the anunnakis lack of higher consciousness their reliance on technology their sacred power objects and sacred geometry and the possibility of anunnaki bases on mars in the distant past the detonation of nuclear weapons in the 20th century was not the first time humanity has seen such terrible destruction drawing upon the work of zecharia sitchin the book of genesis sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons chris hardy reveals the ancient nuclear event that destroyed the sumerian civilization and the power struggles of the gods that led up to it the author explains how the anunnaki came to earth from the planet nibiru seeking gold to repair their ozone layer using genetic

engineering they created modern humanity to do their mining work and installed themselves as our kings and our gods. Anunnaki god Enki had a fatherly relationship with the first two humans. Then Enlil, Enki's brother, took over as commander of Earth, instituting a sole god theocracy and a war against the clan of Enki and humanity for spoiling the Anunnaki bloodlines through interbreeding. This shift imposed a blackout not only of the very human nature of the Anunnaki gods but also of humanity's own ancient past on Earth. Two of Enlil's attacks against the Enki clan and humanity are described in the stories of the Deluge and the Tower of Babel. His final attempt, after coercing the assembly of the gods into voting yes, was the nuclear bombing of 5 cities of the Jordan plain, including Sodom and Gomorrah, which resulted in the destruction of the Sumerian civilization and the Anunnaki's own civilization on Earth, including their space port in the Sinai. The author reveals how, after each attempt, humanity was saved by Enki, chief scientist Nimmah, and Enki's son, Hermes. The author explores how the Anunnaki's reliance on technology and their recurrent wars caused them to lose touch with cosmic consciousness and she reveals how we will be doomed to repeat this dynamic until humanity awakens to our true origins.

Our origins as a slave species and the Anunnaki legacy in our DNA reveals compelling new archaeological and genetic evidence for the engineered origins of the human species. First proposed by Zecharia Sitchin in *The 12th Planet*, it shows how the Anunnaki created us using pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA. It identifies a recently discovered complex of sophisticated ruins in South Africa as the city of the Anunnaki leader Enki. Scholars have long believed that the first civilization on Earth emerged in Sumer some 6,000 years ago. However, as Michael Tellinger reveals, the Sumerians and Egyptians inherited their knowledge from an earlier civilization that lived at the southern tip of Africa and began with the arrival of the Anunnaki more than 200,000 years ago. Sent to Earth in search of life-saving gold, these ancient Anunnaki astronauts from the planet Nibiru created the first humans as a slave race to mine gold, thus beginning our global traditions of gold obsession, slavery, and god as dominating master. Revealing new archaeological and genetic evidence in support of Zecharia Sitchin's revolutionary work with pre-biblical clay tablets, Tellinger shows how the Anunnaki created us using pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA, which explains why less than 3 percent of our DNA is active. He identifies a recently discovered complex of sophisticated ruins in South Africa, complete with thousands of mines, as the city of Anunnaki leader Enki and

explains their lost technologies that used the power of sound as a source of energy matching key mythologies of the world's religions to the Sumerian clay tablet stories on which they are based he details the actual events behind these tales of direct physical interactions with god concluding with the epic flood a perennial theme of ancient myth that wiped out the Anunnaki mining operations teller shows that as humanity awakens to the truth about our origins we can overcome our programmed animalistic and slave like nature tap in to our dormant Anunnaki DNA and realize the longevity and intelligence of our creators as well as learn the difference between the gods of myth and the true loving god of our universe

reveals the ongoing alien manipulation of humanity and how we can break free explores how the Anunnaki have maintained invisible surveillance over us and how they control our development through religion secret societies and catastrophes reveals how they feed off our energies and how this ability has allowed them to remain here on earth as multidimensional entities enforcing their control invisibly explains how they established religion to control us and how Gnostic Christianity which came from Christ and not the Anunnaki offers a way out of their matrix of control cuneiform texts found on clay plates in Mesopotamia tell us about an extraterrestrial race called the Anunnaki who came from space to exploit our planet through genetic manipulation they created modern humans from existing earthly life forms to serve them as slaves they physically left our planet millennia ago but as Jan Erik Sigdell reveals their influence and control over humanity is still pervasive and significant Sigdell explains how the Anunnaki have maintained invisible surveillance over us as well as control over how humanity develops setting limits on our evolution and holding back our development by means of manipulation and catastrophes including the deluge immortalized in the Bible and many other ancient myths he shows how they still manipulate our politics and affairs via secret societies such as the Illuminati and the political elite such as the Bilderberg group examining ancient descriptions of the Anunnaki as entities that resemble winged reptiles or amphibians the author also explores their diet and how they feed off blood and the energies given off by lower life forms such as humans when they are expressing extreme negative emotions having sex or dying this energy feeding ability has allowed them to remain here on earth as multidimensional entities enforcing their control invisibly he explains how the Anunnaki established religions as tools for control setting up the major religions with themselves as gods and playing them against each other to keep humanity's attention away from

ongoing anunnaki manipulation they have also hidden from us the existence of the true highest creator who created the cosmos as well as the anunnaki themselves the author reveals how the highest creator sent a messenger called jesus to expose the anunnaki and show us a way out of their matrix of control through a spirituality based on love empathy and sacred sexuality but the god of the anunnaki defeated this messenger and replaced him with a false christ this led to the development of paulinian christianity under anunnaki influence as well as other parallel religions such as islam and the suppression and elimination of the original christianity gnostic christianity with the discovery of hidden gnostic texts and teachings at nag hammadi in 1945 the way is now paved for our release from the reign of the anunnaki

written text into audio, providing an alternative way to enjoy books.

Tips for Maximizing Your Ebook Experience

To make the most out of your ebook reading experience, consider these tips.

Choosing the Right Device

Whether it's a tablet, an e-reader, or a smartphone, choose a device that offers a comfortable reading experience for you.

Organizing Your Ebook Library

Use tools and apps to organize your ebook collection, making it easy to find and access your favorite titles.

Syncing Across Devices

Many ebook platforms allow you to sync your library across multiple devices, so you can pick up right where you left off, no matter which device you're using.

Challenges and Limitations

Despite the benefits, free ebook sites come with challenges and limitations.

Quality and Availability of Titles

Not all books are available for free, and sometimes the quality of the digital copy can be poor.

Digital Rights Management (DRM)

DRM can restrict how you use the ebooks you download, limiting sharing and transferring between devices.

Internet Dependency

Accessing and downloading ebooks requires an internet connection, which can be a limitation in areas with poor connectivity.

Future of Free Ebook Sites

The future looks promising for free ebook sites as technology continues to advance.

Technological Advances

Improvements in technology will likely make accessing and reading ebooks even more seamless and enjoyable.

Expanding Access

Efforts to expand internet access globally will help more people benefit from free ebook sites.

Role in Education

As educational resources become more digitized, free ebook sites will play an increasingly vital role in learning.

Conclusion

In summary, free ebook sites offer an

incredible opportunity to access a wide range of books without the financial burden. They are invaluable resources for readers of all ages and interests, providing educational materials, entertainment, and accessibility features. So why not explore these sites and discover the wealth of knowledge they offer?
