a first rate work of insider history a monumental accomplishment national review the election that changed everything craig shirley's masterful account of the 1980 presidential campaign reveals how a race judged too close to call as late as election day became a reagan landslide and altered the course of history to write rendezvous with destiny shirley gained unprecedented access to 1980 campaign files and interviewed more than 150 insiders from reagan's closest advisers and family members to jimmy carter himself his gripping account follows reagan's unlikely path from his bitter defeat on the floor of the 1976 republican convention through his underreported wilderness years through grueling primary fights in which he knocked out several republican heavyweights through an often nasty general election campaign complicated by the presence of a third party candidate not to mention the looming shadow of ted kennedy to reagan's astounding victory on election night in 1980 shirley's years of intensive research have enabled him to relate countless untold stories including at long last the solution to one of the most enduring mysteries in politics just how reagan's campaign got hold of carter's debate briefing books

this book is a biography of general robert e lee the commander of the confederate states army

john rutledge 1739 1800 was a wealthy planter and successful lawyer a leader in south carolina's colonial commons house of assembly and a delegate to the first and second continental congresses as chief executive of the state during most of the war for independence he was instrumental in its defense and recovery after the british conquest of 1780 one of the leading delegates to the united states constitutional convention in 1787 he served as chief justice of south carolina and briefly as associate justice of the u s supreme court

marked by sharp ideological divisions over civil rights vietnam and federal power the 1964 presidential campaign between democrat lyndon johnson and republican barry goldwater proved a watershed election in american history although johnson defeated goldwater in a landslide and liberalism seemed to ride triumphant the liberal wave crashed almost immediately and conservatives came to dominate a resurgent republican party in the late twentieth century thoroughly researched and beautifully written this is the first historical account of this crucial election and the transition it marked for the nation filled with colorful details and fascinating figures johnson goldwater wallace rockefeller nixon reagan robert kennedy martin luther king jr george bush and many more it captures the full excitement drama and significance of liberalism's last hurrah

three historians examine what drove southern secession in the winter of 1860 1861 and why it culminated in the american civil war

politicians and opinion leaders on both sides of the mason dixon line struggled to formulate coherent responses to the secession of the deep south states the confederate attack on fort sumter in mid april 1861 triggered civil war and the loss of four upper south states from the union the essays by three senior historians in secession winter explore the robust debates that preceded these events for five months in the winter of 1860 1861 americans did not know for certain that civil war was upon them some hoped for a compromise others wanted a fight many struggled to understand what was happening to their country robert j cook william l barney and elizabeth r varon take approaches to this period that combine political economic and social cultural lines of analysis rather than focus on whether civil war was inevitable they look at the political process of secession and find multiple internal divisions political parties whites and nonwhites elites and masses men and women even individual northerners and southerners suffered inner conflicts the authors include the voices of unionists and whig party moderates who had much to lose and upcountry folk who owned no slaves and did not particularly like those who did barney contends that white southerners were driven to secede by anxiety and guilt over slavery varon takes a new look at robert e lee s decision to join the confederacy cook argues that both northern and southern politicians claimed the rightness of their cause by constructing selective narratives of historical grievances
