an opening into the dream of the day and the dream of the night

many people believe that god speaks to us in our dreams understanding the language god uses in dreams will open a whole new world of understanding his plan for each of us every dreamer s handbook is the latest book from the best selling author of understanding the dreams you dream

the author explains the biological forces at play when we sleep the influence of freud and jung on dream research and offers a host of dream interpretations

a romance of two worlds starts with a young heroine in first person telling her story of a debilitating illness that includes depression and thoughts of suicide her doctor is unable to help her and sends her off on a holiday where she meets a mystical character by the name of raffello cellini a famous italian artist cellini offers her a strange potion which immediately puts her into a tranquil slumber in which she experiences divine visions upon wakening she craves more later she meets her unnamed guardian angel who whisks her through infinite solar systems faster than a shooting star while human spirits fly by like gossamer silk he shares the truth of religion and the secret of human destiny but still she longs for more she comes to understand god as pure light

and pure love but it is not enough that she should see and hear these things from the touch of an angel she wants to master this ability on her own and seeks a oneness with god through a series of meditative disciplines while locked away in a monastery wikipedia

a journal of african and afro american literature
