a comprehensive study of material objects associated with the jacobites produced acquired and treasured in the late seventeenth and eighteenth centuries

this book is a multi disciplinary exploration of jacobitism and its cultural legacy chapters in the book examine the early history of the jacobite movement analysing how adherents of the stuart cause used new and existing networks of ideas people goods and activities to promote and circulate their ideas engaging with media and nineteenth century literary networks the book considers the ways jacobitism itself became an object of interest within a range of disciplines including antiquarianism song collection and literature chapters on jacobitism and networks of modern cultural memory reflect on twentieth century popular cultural representations of jacobites they demonstrate innovative opportunities to engage with the subject matter of jacobitism in the present day through transnational collaboration and digital humanities the book presents important new multi national and multi lingual perspectives on jacobite studies and the persistence of cultural engagement with the jacobites

a clear and demythologised account of the military campaigns waged by the jacobites against the hanoverian monarchs

the second in the fascinating series about the lives of the beautiful beth cunningham her family and friends britain moves ever closer to the 1745 rebellion and the impending attempt to restore the stuart to the british throne with no other options available to her beth marries the effete and tedious social butterfly sir anthony peters she resigns herself to a future of formal parties and dismal social gatherings whilst accompanying a husband who is both tiresome and physically repellent to her but consoles herself with the thought that if she is not to know love then at least she will have a secure and comfortable life it may be uneventful but she will be free of her brother the ink on the marriage contract is hardly dry however when beth makes a shocking discovery one that turns her world upside down and throws her whole future into doubt once more almost immediately she must make a decision will she opt for the safe but dreary life her husband wishes her to lead or will she fight for a life of passion adventure and excitement knowing that in doing so she risks not only her own life but the lives of those she loves join the rebellion of one woman and her fight for freedom in the jacobite chronicles

the recent work of anthropologists historians and historical archaeologists has changed the very essence of military history while once preoccupied with great battles and the generals who commanded the armies and employed the tactics military history has begun to emphasize the importance of the common man for interpreting events as a result military historians have begun to see military forces and the people serving in them from different perspectives the historical archaeology of military sites has encouraged efforts to understand armies as human communities and to address the lives of those who composed them tying a group of combatants to the successes and failures of their military commanders leads to a failure to understand such groups as distinct social units and in some instances self supporting societies structured around a defined social and political hierarchy regulated by law needing to be supplied and nurtured and often at odds with the human community whose lands they occupied be they those of friend or foe the historical archaeology of military sites will afford students professionals

dealing with military sites and the interested public examples of the latest techniques and proven field methods to aid understanding and conservation of these vital pieces of the world s heritage
