tyke tiler is very fond of practical jokes tyke is also fond of danny price who is not too bright and depends a lot on his friends together tyke and danny add up to double trouble especially during their last term at cricklepitt combined school

this series offers a range of plays specially written or adapted for 11 to 14 year olds for easy acting or reading aloud in class many have large casts this book is a dramatization of gene kemp s novel and has ideas for discussion and activities at the end of each episode

an engaging classroom playscript when friend danny steals a tenner and dad stands for the local council it s only the start of a turbulent term for tyke tiler and with the discovery of a disused mill a smelly old marrow bone a runaway mouse called fatty and a conveniently abandoned stack of test papers tyke certainly makes this term one to remember new innovative activities specifically tailored to support the ks3 framework for teaching english and help students to fulfil the framework objectives activities include work on speaking and listening close text analysis and the

structure of playscripts and act as a springboard for personal writing

the stories we read as children are the ones that stay with us the longest and from the nineteenth century until the 1950s stories about schools held a particular fascination many will remember the goings on at such earnest establishments as tom brown s rugby st dominic s greyfriars the chalet school malory towers and linbury court in the second part of the twentieth century with more liberal social attitudes and the advent of secondary education for all these moral tales lost their appeal and the school story very nearly died out more recently however a new generation of compromised schoolboy and schoolgirl heroes pennington tyke tiler harry potter and millie roads have given it a new and challenging relevance focusing mainly on novels written for young people from morality to mayhem charts the fall and rise of the school story from the grim accounts of victorian times to the magic and mayhem of our own age in doing so it considers how fictional schools not only reflect but sometimes influence real life this captivating study will appeal to those interested in children s literature and education both students and the general reader taking us on a not altogether comfortable trip down memory lane

when the turbulent term of tyke tiler was first published in 1977 it won the library association s carnegie medal and it immediately established gene kemp as one of the leading contemporary writers for children twenty years later tyke tiler still remains a firm favourite with children now at last that much loved rebel is back with a riotous collection of jokes humorously illustrated by chris fisher there are jokes for all occasions from the dreadful and dastardly to the sick swotty and indigestible

this book offers an opportunity to engage with the debates in english teaching and to explore the viewpoints of writers who have contributed to those debates it provides invaluable introduction to the complexities of english to novice english teachers

the culmination of a trilogy on children literature that began with after alice and the prose and the passion the 20 essays address a variety of genres and issues both in contemporary contexts and in the past among the contributors are novelists jan mark jill paton walsh and john rowe townsend others include artists and booksellers their topics range from a bookseller s view of wasting money the revenge of the teenage horror and aesop for children to reading picture books letter writing picture books as small portable galleries the masks of the narrator and critical literacy as a dangerous underground movement
