the cruise of the snowbird penned by the prolific scottish author gordon stables is a thrilling maritime adventure novel that immerses readers in a world of high seas exploits and daring voyages set in the late 19th century the story follows the captivating journey of captain george vesey aboard the snowbird an elegant yacht gordon stables narrative style is marked by its rich and vivid descriptions meticulous attention to nautical intricacies and a deep seated love for the sea the book masterfully captures the challenges and triumphs of a seafarer s life from battling the capricious elements to venturing into uncharted waters however the cruise of the snowbird is not merely a tale of adventure it also imparts profound life lessons it celebrates the values of courage camaraderie and the unwavering human spirit in the face of adversity stables storytelling resonates with the allure of maritime exploration and the mystery of the unknown the book is a testament to his enduring fascination with the sea and the adventurous disposition of those who embark on epic journeys as a classic in the adventure literature genre the cruise of the snowbird continues to captivate readers allowing them to embark on a thrilling and enriching voyage through the author s passion for the sea

and the indomitable spirit of those who dare to navigate its depths

in april 1890 the steamer janet nicoll set off from sydney for a three month trading voyage through the central and western pacific aboard were seven white men a crew of forty islanders and one woman a short haired barefoot cigarette smoking american fanny van de grift stevenson wife of the famous novelist robert louis stevenson the cruise of the janet nichol is fannys account of her journey with her husband and grown son through what are today the cook islands tuvalu kiribati and the marshall islands

the cruise of the raider wolf is not intended as another war book it is the story of one of the strangest and greatest sea adventures of modern times the wolf has become a legendary figure a name connected with strange happenings at sea but to most people it is only a name the actual cruise was a shadowy mysterious affair and for many reasons the history of the cruise has remained equally vague briefly this raider slipped out of germany in 1916 and for fifteen months roamed the seas of the world depending for fuel and food on the captures she made her very existence depended on these captures not becoming known ships encountering the wolf therefore simply disappeared their fate unknown the raider roamed the atlantic indian pacific oceans even touched the arctic and antarctic seas and she capped this unparalleled cruise by running the blockade back to kiel incidentally the wolf was the only enemy warship to enter australian or new zealand waters she mined the coasts of both these countries after the raider s return to germany there was a world wide blaze of publicity the reception of the wolf s men in berlin was one of the outstanding war events in the german capital then the wolf disappeared from public notice as quickly as she became famous one reason for this was that captain nerger the raider s commander was not a publicity seeker and was not in particularly high favour in germany it was necessary to receive him with honour after he brought his ship back from such a cruise but after that he was quietly moved to an obscure post and was heard of no more the author was a prisoner aboard the raider for the last nine months of the cruise

digicat publishing presents to you this special edition of cruise of the revenue steamer corwin in alaska and the n w arctic ocean in 1881 botanical notes notes and memoranda medical and anthropological botanical ornithological by john muir digicat publishing considers every written word to be a legacy of humankind every digicat book has been carefully reproduced for republishing in a new modern format the books are available
