jesus said that the kingdom of god is like a treasure buried in a desolate field that one would sell all of his possessions to attain yet the shocking reality is that this treasure remains buried as the average christian and church are sadly unaware of what the kingdom of god is or why it even matters in his revealing first work brandon andress writes that while the christian and the church continue to chase their tails in pursuit of an identity and purpose in the world it is ultimately the unearthing of the kingdom of god that will transform the church and change the world while walking simplistically through the parables of jesus to get a better understanding of kingdom of god this book will also convince and inspire you and your church to be the means through which the kingdom of god breaks into the world in power
