warren explains how the connection between trust and faith can re ignite the fire in one s spirit and brings order joy and peace by following scripture based principles

my ladder of life is a depiction of a time gone by in the lancashire mill town of blackburn it starts just before the second world war and covers 73 years of alan duffy s life as an engineer company owner and family man alan s autobiography is set against an ever changing social background and serves to remind the reader of the way things used to be the life of an engineer might

appear to be boring but if alan s own experiences are anything to go by nothing could be further from the truth alan discovered he had entrepreneurial skills in his early forties and founded a successful engineering company that in three short years he d sold on to an american corporation he continued to manage the company until 1993 when they relocated to the usa alan then started a another engineering company alan s career has been rewarding and interesting and sometimes fraught with danger occasionally events that have befallen him which seem too funny to be true my ladder of life encompasses such varied events as alan having an audience with pope john paul 2 and seeing frank sinatra on the same day alan also writes about his family who have brought infinite love and support to him throughout the years

few people know that the ladder of success is crowded at the bottom but it is not so at the top why the reasons thereof and nine rules to check whether the ladder you are climbing is leaning against the right wall or not have been discussed in the book this is necessary to check before climbing because there have been people who climbed the ladder and on reaching the destination they found that the ladder was leaning against the wrong wall they had to start from scratch procrastination is the natural assassin of an opportunity it is the slow death because it starves action to death rather than dealing it one fatal blow this book also discusses how to beat the procrastination and do things now in nature the homing pigeon is a remarkable bird it has an uncanny instinct that enables it to fly back to its home roost no matter how far away it starts or in what direction it must go our body also has such system which helps us achieving success once we write our goals and start working for our goals the book discusses specifically that success system of our body most people do what they don t love because many of them don t know

what they love to do this is known as one's passion if you do what you love then chances of your mega success increase and those of failure decrease this book has detailed coverage on how to find one's passion which will be very useful for all the readers the book also discusses in details the prioritization of the activities to save time so that more work can be done in less time besides the book highlights many other essential topics like how we are conditioned since our childhood which damages our belief system severely attitude and its development visualization of success even before you realize it how to avoid failures in your life and take failures as opportunities delayed gratification and many more

one of the clearest and most straightforward texts ever published understanding mechanics covers all the topics required in the single subject a level it is equally appropriate for those preparing for other mathematics examinations at a level and for students on technical courses in further and higher education key points and principles are introduced in a simple and direct manner and all have worked examples and ample opportunity is given for practice with questions and exercises carefully graded to provide a steady progression and each chapter closes with a comprehensive selection of recent examination questions and answers are given at the back of the book

a jolly ladder left behind by a strange carpenter takes on a life of its own and embarks on a grand journey through the countryside where it encounters people and animals who after climbing it to the top and disappearing into the sky return in a special way
