with the end of the global cold war the struggle for human rights has emerged as one of the most controversial forces of change in latin america many observers seek the foundations of that movement in notions of rights and models of democratic institutions that originated in the global north challenging that view this volume argues that latin american community organizers intellectuals novelists priests students artists urban pobladores refugees migrants and common people have contributed significantly to new visions of political community and participatory democracy these local actors built an alternative transnational solidarity from below with significant participation of the socially excluded and activists in the global south edited by jessica stites mor this book offers fine grained case studies that show how latin america s re emerging left transformed the struggles against dictatorship and repression of the cold war into the language of anti colonialism

socioeconomic rights and identity

the most comprehensive and up to date student reference on the cold war offering expert coverage of all aspects of the conflict in a richly designed format fully illustrated to give students a vivid sense of life in all countries affected by the war abc clio is proud to announce the latest addition to its widely acclaimed legacy of historical reference works for students under the direction of internationally known expert spencer tucker cold war a student encyclopedia captures the vast scope day to day drama and lasting impact of the cold war more clearly and powerfully than any other student resource ever published ranging from the end of the second world war to the collapse of the soviet union cold war a student encyclopedia offers vivid portrayals of leading individuals significant battles economic developments societal cultural events changes in military technology and major treaties and diplomatic agreements the nearly 1 100 entries plus topical essays and a documents volume draw heavily on recently opened russian eastern european and chinese archives enhanced by a rich program of maps and images it is a comprehensive current and accessible student reference on the dominant geopolitical phenomenon of the late 20th century

some programs include also the programs of societies meeting concurrently with the association

current geographical publications cgp is a non profit service to the scholarly community initiated in 1938 by the american geographical society of new york beginning in 2006 the format changed to include the tables of contents of current geographical journals the journal titles listed link to web pages or pdf scans of the current issue s contents

this volume introduces researchers to the leaders ideas and institutions of the keswick movement a strand of holiness teaching that was embraced by many evangelicals who came from the more calvinistic wing of protestantism especially anglicans baptists congregationalists and presbyterians the keswick movement is the most difficult of the three main holiness traditions to delineate unlike the wesleyan holiness and holiness pentecostal traditions the keswick movement has not gone through a definitive period of careful theological refining and institutional boundary setting
